READY TO HELP FARMERS APPLY FOR CROP LOANS

R. gulations for 1933 governing crop production loans have been is such by the Secretary of Agricultur and are now available to farmers in this county upon request to S. S. Williams, Field Inspector of the Crop Production Loan Office. Mr. Williams' headquarters are in Wayn's ville.

Instead of writing to Washington or to one of the regional loan of fices, Mr. Williams announced' farters can obtain the necessary ap plication blanks for loans, and deai ed information about the requirenents direct from him. Applications will then be reviewed by the County advisory committee then certified and forwarded to the regional offic at Washington for final approval and action.

The regulations this year specify hat only those who cannot get leans Isewhers are eligible for loans from he \$90,000,000 fund authorized by Congress. An inflation of the currency is needed. We care not whether call it going off the gold stand d issuing scrip or what not. The cory salvation for the people is in b. ng able to meet high priced debts vith cheaper money.

The most important thing to do right now is to keep cool and d. it lose your head. The forees of State and nation are moving swiftly to the rescue. The banks in North Caro ina nearly all of them, are solvent. Depositors will get cheir meaey. The new congress meets today, and a plan to relieve the situation has already been worked on, and will be passed with expedition.

To begin profiteering now is he surest way of opsetting the calm: -ss with which the American people have met the emergency. For God's sike, don't anybody start rocking the boat in that manner. Our opinion is at President Roosevelt will tolerate no such conduct. The American people are looking to him to see that s ch a thing does not happen.

Since the loans call for a first lien on the crop as security the borower frequently has to procure valvers from prior mortgages or ights. If the applicant is a tenant or is farming land under contract for deed or so-called crop contract or has given a prior mortgage on vis 1933 crops, the regulations stat he must secure the waivers of th utual owners of the land and of a' rior mortgage holders. If the ap licant is the owner of the land an farms it with tenants or share eror ers waivers of such tenants or shar "oppers must be secured. The regations further specify that the per on waiving his prior rights mus cree not to dispose of his rent not nortgage, or other security without "ast having obtained the writte ousant of a duly authorized ager of the Secretary of Agriculture.

The regulations make it unlawfr for any person to dispose of or as ist in disposing of any crops give" 's scenrity for any crop loan, excep 'or the account of the Secretary o' Agriculture and provide for fine and inprisonment for violation of suc regulation.
