**IN MEMORIAM**

On Saturday, August 12th the community was saddened when our Heavenly Father in his infinite love and wisdom called home to a rich reward Mrs. Martha Ellen Bryson, wife of Mr. Hugh Bryson of Cullowhee, who had been in declining health for many months. She will be greatly missed in a large portion of Jackson county, where she sacrificed her health and comfortable home to minister to the sick and needy. She was great loss, and,

Second, that we extend to the be- loved husband and daughter our sin- cere sympathy and commend them to our Heavenly Father for comfort and support in their sorrow, and

Third, that a copy of these resolu- tions be sent to the family, the local papers, and spread upon the minutes of our chapter.

**RESOLUTIONS OF RESPECT**

We, the members of Sylva Chapter No. 96, Order of the Eastern Star, wish to pay tender tribute and ex- press our deep loss and sorrow for one of our beloved members, Sister Fannie Simons. In her passing we shall miss a faithful and loyal mem- ber, therefore we resolve:

First, that our chapter and the whole community has sustained a

the oldest daughter of the late David S. Pressley and helped to rear a large family of younger brothers and sisters, before her marriage about 48 years ago. She was not blessed with any children of her own but reared 5 or 6 children after her marriage. Many will rise up to call her blessed at that great day, for she took pleas- ure in mothering the unfortunate. She was converted in early woman- hood, and died a consistent member of the Methodist church and W. M. U. of Cullowhee. She leaves a broken hearted husband and nine broth- ers and sisters to mourn her going away, for she slipped away so easily we can't realize she is gone. Just bid farewell for a few short days till we go to see her in that celestial city where sorrow and tears are unknown.

## Here's Smiling Relief...

Most of your suffering from common every-day aches and pains is unnecessary and unwise. Unnecessary, because Dr. Miles' Anti-Pain Pills relieve quickly and without unpleasant after effects; unwise, because pain makes your physical condition worse instead of better. One pill usually brings relief in a few minutes.

If you suffer from any of the disorders listed above, take Dr. Miles' Anti-Pain Pills. If they do not give you greater relief in less time than anything else you have used, go to your druggist and get your money back.

A package of Dr. Miles' Anti-Pain Pills in your medicine cabinet, pocket, or hand-bag means fewer aches and pains.
