THE SPORTS MILL

(By Buerh Allison)

Athletic doings in Jackson county are rather slow at this time of the year, since Sylva High is the only school to put out a football team, but I will endeavor o summarize the activities at the various schools.

The Sylva High Hurricane under direction of Coach Leonard Huff is being whipped rapidly into shape to be ready for the opening game of the season with Waynesville High at Waynesville on September 18.

The Hurricane team is not up to par so far, but wir improve be fore the season is over. About 37 boys are practicing each day on the High school squad, several of them letter men. The lotter men are us fol lows: Wilson, Snyder, Cook, and Sumner, backs; Dillard and Bryson, ends; O'Kelley and Ensley, incmen; Painter, center. Several new men are in there fighting every day and will probably give the veterans some trouble before positions are fuled.

Two men have come out this for this year's squad that : hould improve it if they come up to their former records. The new men are; Ju-Thom-'ommitteeman from Tennessce, other back, and "Peanut" Bryson, who played with Sylva Collegiate Institute some few years ago, when S. C. H.S. and S. C. I. were great rivals These men are just warming up, but great things are expected from them.

Now for the other schools: WEBSTER High school has no fcor ball team; but the boys and girs will soon be on the baske ball court proparing for the coming baskethall sea-

son. At the present the Webster Hipt students are carrying on playground activities that include softball, bolk v Louis Eckstein, Jr., and grandson hall, and horse shoes. CULLOWHEE High: The Cullo- Thursday. whee school has not opened yet,

GLENVILLE High: does not put out a football team, but various play ground games are engaged in, and basketball practice will soon stan Love Shaver and Sam Perry Hya; are in charge of athletics at the Glenville school.

The Western Carolina Casamount have been practicing for two week: under the direction of Coach Ralph James and are beginning (1) take shape. Coach James succeeds Charli Poindexter as director of athletics a the Teachers College

The Catamounts have a comparatively new team this year will many of the men coming in for tre first time. The loss of several reguters last year was a great blow to the cats Paul Schachner, quaretrback, Walter Thomas, halfback, and Alvin autoa, halfback, were among the men finisaing last spring. Alvin Sutton, a Sylva hoy, starred on the Cullowhee ceams four four years.

Letter men coming back this year are: Rudcliffe, Tomberlin, ends, Ren' backs, Dandelake, Henson, Tablam and Liner, guards and tackles. With the old men and the new Coach James hopes to build up a good team before the season is over.

Practice for the last two weeks has included all the fundamentals of foo: ball, as well as intensive body conditioning workouts. Punting and passl ing drills have also been featured; and short scrimmage periods have taken up the last part of the practica each day.

The Western Carolina season opens with the Cats playing the C. awba Indians at Salisbury on the 1.5h. Tho first home game will be with Carson-Newman on September 26.

The tull senedule is as follows: Sept. 19, Catawba, away. Sept 26, Cahson-Newman hom: Oct. 2 Tenn. Teachers away Oct. 9. Maryville, awa Oct. 17, Appalachian, away. Oct. 24 Bast. ('ar., away. Oct. 31, Milligan (homeoming) Nov. 20, Lenoir-Rh ue, away

## Swimming Pool For 100 Will Be Constructed Here

That the swimming pool near the PAIR PLANNED POR new Community House will be under construction by Monday is an assured fact, it has been autounced by M13 D.M.Hall, chiarman of the committee in charge of the project.

The pool, which will be a WIA project, will accomodate 100 persons at a time, and will be of sufficient depth for safe diving. The plans were drawn by Ben Sloan, sanitary engincer of the health unit, and include a wading pool for little children, show er baths, lockers, diving boards, and all that goes with a real municipal swimming pool. A wea will be bose ! to provide an abundance of pure water.

Mrs. Hall stated that the Community House itself will be completed as soon as afunds are a hand to buy materials.
