**SIDEGLIMTS ON GOVERNOR  
HOEY'S INAUGURATION**

The inauguration ceremony of the North Carolina constitution took place at Raleigh, N. C., on January 13, 1937. Governor Hoey was inaugurated at the State Capitol building. The ceremony was presided over by Chief Justice Strey. Governor Hoey was sworn in by Chief Justice Strey. The other state officers took the oath of office. The ceremony was a grand affair. The State Guard units were in full uniform. The High School Band from Raleigh was in the front of the parade. The boys and girls really stepped ahead of R. O. T. C. and National Guard units. They have made a real reputation throughout the State.

The best presiding officer I ever saw—former Lieutenant Governor Sandy Graham. He had, by reason of his office, to be at the joint session and to preside over it when the State officers were inaugurated. He, however, was relieved just before Governor Hoey took his oath. North Carolina had had a new Lieutenant Governor for about half a minute.

Prominent in the hotel lobby, on the day of the inauguration and in the reception hall, that evening, at the reception and ball, was Dr. Ralph McDoald, who was soundly licked at the primaries last summer, by Governor Hoey and the other officers who took over their jobs on that day.

**LOCAL BOY MAKES GOOD**

Fort Benning, Ga.—(Special) Sergeant Samuel C. Allison, son of Mr. and Mrs. W. C. Allison, of Sylva, enlisted in the United States Army at Winston Salem, in February, 1928. For duty with the Medical Department at Fort Benning he has been assigned to the Academic Dispensary of medical technicians and as commissioned officer in charge according to information received at Headquarters of the post.

Having proved himself to be an outstanding soldier during his first year at the post, Sergeant Allison received one of the fastest promotions on record when he was promoted to his present rank from buck private after having served only 11 months in the Medical Department. In 1934 he was selected to attend the Medical Field Service School, at Carlisle Barracks, Carlisle, Pa., to take the Medical Technicians' Course and due to the excellent record he made while at the school he will receive an examination in May, 1937, for promotion to Staff sergeant. The sole duty of the new unit as-

signed to the Academic Dispensary is guarding the health of the large classes of student officers attending the various courses of the Infantry School, which has become internationally known as the largest school of small arms in the world.

**TODAY and TOMORROW**

(Continued From Page 1)  
glass but only half as heavy. A rod made of pontalite can be bent or twisted into any form, and when a light is placed at one end of the rod the other end glows brilliantly though no light is visible between the two ends.  
It is easy to imagine many possible uses for this new product of the chemical laboratories. To me, however, its chief interest is that it adds another proof that the conquest of nature by man is going on all the time.  
We haven't yet more than scratched the surface of the secret, which science will make commonplace to our grand children.

**WASHINGTON NEWS**

(Continued From Page 1)  
proposal for such an amendment would be to try to accomplish the desired objectives by other means.  
Senator O'Mahoney of Wyoming has announced that he will push his bill for a Federal incorporation law, which would put every corporation under direct Federal control, enabling the authorities at Washington to prescribe the conditions under which the corporation might operate including working hours and wages.  
One Senator who was elected last November does not sit in the Congress, because his term expired on the day Congress met. It is Guy V. Howard, of Minnesota.  
When Senator Schall died last

Summer, Governor Elmer A. Benson as Senator until the next election. Ernest Lundeen ran for the six-year term beginning January 5 and was elected. But nobody took any steps to provide a Senator for the two months between election day, except Mr. Howard. He filed a petition with Minnesota's secretary of state, at the last minute which got him on place on the November ballot. He was elected by 100,000 majority to the shortest elective Senatorial term in history. Mr. Howard will draw \$1,666.67 and requisites for mileage and clerk hire for the two months. He was a United States Senator. Although he never sat in the Senate Chamber he is "Ex-Senator Howard".

**ENJOYS CAMELS THE WHOLE DAY THROUGH**

**WORLD'S CHAMPION SPEED SKATER,**  
Kit Klein, says: "I like to enjoy Camels the whole day through. I rely on Camels for digestion's sake—enjoy them while I'm eating and afterwards."

**TED HUSING, ace sports announcer, says: "Mine's a hectic life—but my digestion keeps running smoothly. I enjoy Camels with my meals and after. Camels are mild—better for steady smoking."**

**FOR DIGESTION'S SAKE  
SMOKE CAMELS**

**MY HEAD-ACHE'S GONE! MY HEAD IS CLEAR!**

**MUST BE YOUR ALKA-SELTZER, DEAR.**

There is a modern pleasant way to get relief from Headache, Gas on Stomach, Colds, Heartburn, "Morning After" and Muscular Pains. Just drop one or two ALKA-SELTZER tablets into a glass of water. Watch it bubble—listen to it fizz. As soon as tablet is dissolved, drink the tangy solution.

**Alka-Seltzer**

(Analgesic Alkalinizing Effervescent Tablets)

You will really enjoy the taste—more like spring water than like medicine.

ALKA-SELTZER, when dissolved in water, contains an analgesic, (Sodium Acetyl-Salicylate), which relieves pain, while its alkalinizing agents help to correct everyday ailments associated with hyperacidity.

Your druggist has ALKA-SELTZER. Get a 16 or 60c package on our "satisfaction-or-money-back" guarantee.

**Laughing Around the World**  
With **IRVIN S. COBB**

**Guilt on the Very Face of It**  
By **IRVIN S. COBB**

A GREAT many persons who know—and admire—the darky stories of E. K. Means are not aware that this author is, at his home in Jackson, Miss., the Rev. E. K. Means, pastor of Galloway Memorial M.

E. Church, South. He is a zealous clergyman, a gifted speaker, and a fluent writer, but being, as befits a clergyman, a truthful man also, Mr. Means would be the last person to lay claim to great personal beauty.

As his friend, I feel that I may repeat this story at his expense, especially as he himself told it to me. He had been gazing at my printed likeness and he was reminded of an experience of his own. I quote his words:

"Once upon a time my picture was published in a small weekly newspaper in a village in Louisiana. I was standing in the post office when a farmer entered to get his mail. He opened the little paper and his nose, then extended it to arm's length, trying to focus his dim eyes on the vision. He fumbled in all his pockets and brought forth his hands empty of the thing he sought.

"Then he remarked to the world at large:  
"If my specks here and I can't see who this here feller is. I guess that he done, rather, but by dam, he's guilty!"

**Performance, Beauty and Safety Mark Chevrolet's Completely New Cars**

Chevrolet's 1937 engine is completely new, but adheres closely to time-proved Chevrolet engineering principles. It is of six-cylinder valve-in-head type, smoother, more powerful, more economical, and lighter.

A representative model from Chevrolet's new line, typifying its beauty and grace—the Master De Luxe Sport Sedan with trunk. Note the distinctive "speed line" extending back from the side of the hood.

Unmistaken construction joins the floor, cowl assembly, panels, and Turret Top of Chevrolet's all-silent, all-steel body, to form one integral structure, welded in all joints, and reinforced and braced for permanent silence and safety.

Beauty and utility mark the new Chevrolet instrument panel. The windshield is of greater area, with narrow corner posts, affording better vision.

Luggage capacity in Chevrolet's new trunk models has been greatly increased, as has interior luggage space in other models.

More power, economy, durability, safety and comfort, coupled with striking new beauty, characterize Chevrolet's new models for 1937. They are offered in two series, Master and Master De Luxe, virtually identical in appearance.

Chevrolet's fully-enclosed Knee-Action is furnished at no extra cost on the Master De Luxe models; and new Synchro-Mesh transmission, and safety plate glass all around at no extra cost, feature all models of both series.
