Will Rogers' Humorous Story

By WILL ROGERS

NOBODY likes to go to the dentist, and if you mention "drill" to the average dentist's patient, he can imagine himself in pain already. Some of the "molar-herders"

use gas to make their sensitive patient forget the pain and I guess some of them would like to use a bat. But the latest wrinkle that I hear of is a Middle West practitioner who is trying psychology.

He was about to start drilling, and with his best professional smile said to his patient, "Now, think of something pleasant and you won't feel any pain at all."

He went on with his work and through it all there was not a peep out of the patient. "Fine," said the doc, "What were you thinking of?"

"Well," says the patient, "I was thinking that my mother-in-law was here in my place."

SYLVA PHARMACY

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety—and loss of pep and strength.

Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

DOAN'S PILLS

this notice will be pleaded in bar of their recovery.

All persons indebted to the estate of the late Joseph H. Cabe will please make immediate settlement and payment to the undersigned.

Done this 25th day of February, 1937.
