appear is "Cadhorosaurus," the sonserpent of Vancouver Sound. The crew of a tugboat out of Victoria, B. C., reports a good look at "Caddy", who is described as being about 18 inches thick, striped brown and yellow, with a warm and kindly eye and a moath full of teeth.

Seaserpents, or the tales about their used to be among the rear terrors o. the sea in the days of small wooden sailing craft. In these days of steel steamers they are merely euriosities.

METHODISTS . . . 200 years Two hundred years ago, John Wes ley, a clergyman of the Church of England, started a religious revival which developed into the Methodist Church, new almost, if not quite, the argest of the Protestant denominations. The whole Christian world is celebrating Methodism's 200th anni

versary this month. John Wesley had no idea, at first of starting a new churen. His aim was 'o bring his fellow-students at Oxford into a better way of Christian living. The other student's gave them the ..ame of Methodists because Wesley the payment of \$50 and the and his group were so methodical in their religious observances.

To me it is interesting that so many The Poits, prohibition violation, religious movements lave had their 300 mothers' aid families a year—as the Grand Jury, to Judge Phillips: The suppended apon payment of roots in the ancient English university we have been doing the past few of Oxford. > > Unless it becomes absolutely necessary to replace the income : om the So be the case if the Surreure Court declares that Act unconstitutional, there will be no new tax laws at this session, sat a general overhauling and reorganization of the whole tax system is planned for next year Me mime, both You es seem very somes in their desire to cut costs this year.

> > The big problem is relief. The presaire in m municipalities and states against any reduction in relief approdest's recommendation of a billion and a half down to one billion for relief, the "mayors' lobby" is demanding two billions. Harry Ropkins, relief administrator, is sounding the warnng that even the President's billion and a half will not be enough, but would have to be supplemented by an additional appropriation next year.

> > Washington is hearing a ports that relief workers and ceneficiaries are overnizing for a march on the Capitol to stage a demonstration and "put the hoat on." At the same ture, Sena ors and Representatives are asking seriously why, if the business situation is back to the 1929 normal, which is generally time, is it rucessary to continue to maintain so many persons at Fovernment expense?

Nobedy, not even Harry Hepking, knows the answer. The Federal Reerve Board confirms the statement the peak of the most prosperous product since the World War. Faciery empley ment and payrolls have more than doubled since the bottom of the ecression in 1932. But unemp eyested continues on a large scale.

The Relief Administration's latest figures show 2,000,000 persons on the etration and local and searce governments providing a dele for anoth ? viduals are receiving Gd Aga Assertance through state id age pension plans in which the Federal covernment natches the state's payments, do lar Members of the missienary socie- for dollar. The Resettlemen: Adminis tration reports 400,000 farm families getting a monthly dote and 400.0 0 more gett ng loans and grants.

That all totals up to nearly 6 :: illion families getting Gove-ament asistance in a year of busines prosp reity comparable to 1929. Le largest number ever on relief, when the depression was at its worst, was 7 million. Industry is reporting a shortage of skilled workers, yet the great army of the unemployed cortinges. Why?

Congress would lil: to know the answer, and the proposal for a complete, accurate and timely census of the unemployed, which world give a picture of the whole relief situation is gaining support on Capitol Hill.

The fate of the Pre-dent's plan for enlarging the Suprem Court is still uncertain. The opposition to it is becoming well organized, while its adpressure upon waveri g Senators and Mrs. T. V.
