Men have never known much about the bottom of the usea. Perhapus ncie ce will never fusd a way to exsighe clear pur pose which the plore the ocean's sloor and map all of its mountains and valleys, but new discoveries are being made all the time.

The latest of these is that the bottom of the sea has hundreds of deep eanyons, or clert, in the rocks which form the body of the earth, some of them as long and as wide as the Grand Canyon of the Colorado hiver, There is .: 't any way to account fo: these ocean vaileys except bi guesswork, Scientists are trying to make the most plausible quesses.

-The guess which cents most likely to be true as that all the parts of the globe now covered by water were once dry and. The waters were froze once dry and. The weters were frez. en ito ice-caps, miles high, over the two poles of the earth, As the sur grew hotter and the ice began to melt, enormous rivers flowed forth and gouged out deep change's for themselves. But in the course of milturied to water that it filled all the lowlands, creating anhat is now the ocean, a d those old river channels are now just deep gashes in the ocean's floor, Maybe that's true, It son ds interesting, anyway.

CALLS SOLISITOR "LIAR"-GETS 30 DAYS' ON ROADS

H. C. Kirk, new comer to Mountain township, said, in answer to a cross examination question by Solicitor John M. Queen, "That's a ne', Judge in Superior Courft here this week, Hoyle Sink sent the jury from the room, held Kirk in contemp; of court and sentenced him to ser to 30, days on the roads.

Kirk was on trial for an assault on Govan Stewart, over a dispute con reming Kirk's wish to pass over the land of Mr. Stewart, in going to and froom his own property. The jury con victor him, and he was fined \$100 and costs, Judge Sink made the remark that Kirk has the makings of fine citizen, if he will learn to euro his temper.

Heavy Fines And Light Sentences Handed By Judge H. Sink Here

It has become apparent that the Eastern Band of Cherokees will rold Creek fro Soco Gap. The election must have been held within sixty days will expire Sunday, and no elec tion has been called by the Tribal Council. The new council, a majority Soco, met on October &, organized, be held prior to the clate limit set

Three times previously the Thiba! Secretary Ickes states, earlier in North Carolina Highwaf and Public Works Commission, and to Zebulon proposal to reduce the width of the right of way down Soco, and that he would not try to force the Cherokees On the other hand, he stated that if the Cherokees do not want the Parkway, it will be constructed down

the Tuckseigee, and enter the Park at Cherokee. Persons conversant with the situa tion say that the Cherokees are op posed to the proposa; and would overwhelmingly defeat it, if there

SYLVA BAR HAS NEW MEMBER

should be an election heid

David Siler Stillwe'l took the oath as an attorney, before Judge Sink and became a member of the Sy'va Mar. It is unedestood that he will have his offices with his uncle, Mr E. P. Stillwell.

Mr. Stillwell, a recent graduate of Walte Perest College, is a son of Prof and Mrs. E.H. Stillwell of Cullwhee.

Kirk bought the large holdings of Alex Moore, in Mountain township and moved these a few months aso. He is a young man from Marietta, Ga Before court adjourned 'udge Sink

relented and took off the 56 days.

Heavy fines and rather light senten ces, as a rule, were numerous in the Superior Court, which completed its erimina! term today.

Jack Hall, on a charge if violating he prombidon laws, was fined \$250 Port Jones was sent up for two years, and given a suspended seaand costs.

tence of five more in a case in wries Le was convicted of benig implicated in which he was convicted of being implicated in breaking and entering the isslaam Hotel, a couple of years ago, and the removal of property i.on it, during the seis. I when the hote: was closed.

Frank Stepp, Calvin Stepp 11 J Clerence Stepp were convicted of Avnamiting the river, and Frank and Carence arew six months each, and Ca vin 4 months.

Fded Ashe, of the county home, was sentenced to serve 2 years on an assault charge. The Judge put in an order that, since Ashe is an afflicted man, he be given immediate hospinal ization, and stated that if he is edred of his trouble, the Jude will redonmend a pardon.
