THE TANNERY

Was Sylva's first permanent industrial plant. It blazed the way, and showed the opportunities.

Sylva Belting Butts carried the name of Sylva to the corners of the earth. We have backed and supported every movement for the upbuilding of our town and the welfare of its people.

We are proud of our town and its advancement.

Buy Armour products. Support the company that has a real interest in your town. Use leather. It is better. It wears longer. It is made in Sylva.

50 Years Of Progress

For half a century our town has grown and progressed, step by step, until it has become a thriving, little city, center of a great trade territory.

Yes, 50 years has made a vast difference in Sylva—and it is a far cry from the back-breaking labor over the wash tub and ironing board, or the unsanitary methods of the wash-woman, to the quick, efficient, sanitary service of

Sylva Laundry & Dry Cleaners

The modern housewife knows she can save her time, her strength, her money, and insure the health of her family by having the laundry call for her clothes and return them spotlessly clean.
