I INVITE YOU

To come to our new cafe. No amount of care, no amount of careful workmanship, no expense has been spared to give Sylva one of the finest cafes in all Western North Carolina.

We have faith in Sylva, faith in its future, faith in the belief that Sylva people, and those who come through our little city, will appreciate the best.

We have the best in building, the best in equipment, the best in fixtures. We have done everything possible to make this cafe one in which we can all take pride.

Now we are open for business in our new cafe. We invite all of you to visit our cafe. Make it your stopping place when you are in town. We will spare no less in giving you the best of meals and foods, than we did in giving you the best in beauty and appointments.

We hope that our service, and our cuisine will be as pleasing as our building and equipment. That is something that we have to live up to.

J. Phil Stovall

WE CONGRATULATE MR. STOVALL

ON HIS NEW CAFE

We congratulate Mr. Stovall.

We congratulate the people of Sylva.

We are proud of the part we had, as general contractor, in building and preparing this beautiful, new cafe for Mr. Stovall, and for you.

This building is a specimen of the kind of work we can do. You have seen it take form and be rapidly brought to completion, without sacrificing good workmanship or good material to haste.

If you, any of you, are thinking of building, think of us.
