\$1.00 A YEAR IN ADVANCE IN THE COUNTY

All Applicants Who Are Eligible Will Be Accepted in July

Welfare, has just received notice from the State Director of CCC Selection that all eligible applicants available will be accepted during the July enrollment period from Jackson

County. Mr. Henson states that the young men who wish to go to CCC camp during the July enrollment period, should make application at the Welfare office as early as possible and not later than July 14.

To be eligible to enroll in the ccc camp: A young man must be a citizen of the United States; Unemployed and in need of employment; Between seventeen and twenty-three and one-half years of age; Unmarried: Out of school; Physically vigorous work.

If previously enrolled with ccc, he must have an honorable discharge and have been out of camp for a period of nnety days. In order to be seletted, each applicant must agree to serve at least one full term of six months. Ordinarily he must agree to serve in any CCC camp in the United States. He cannot choose to be sent to a particular camp or a special

Each enrollee may decide at the end of the six months period whether he wishes to reenroll for another term. The maximum of service is two years. No one is eligible who is on parole or probation. Likewise, youths are not eligible if they have ever been convicted of a crime punishable by imprisonment for more than a year. Each man who has one or more dependents must be willing to make an allotment to them of \$15.00 a month, or half of his cash allowance of \$30.00 a month.

CCC enrollees are paid in two ways. Part of their wages comes in the form of good food; sturdy good looking clothing; medical care; educational and recreatilenal opportunities; the rest of it comes in the form of cash or check. Regular CCC enrollees are paid \$30.00 a month in cash. This is the way of cash pay most CCC enrollees is distributed:

To enrollee in cash, \$8.00 per month; To dependent at home, \$15.00 per month; To savings account, \$7.00 per month.

The \$8.00 which is paid to each enrollee in cash at camp is enough to pay for his personal expenses including some amusements. The \$7.00 per month which is put in the savings account for each enrollee, will be paid to him in a lump sum at the time he leaves the camp. Thus an enrollee who stays six months is paid the \$42.00 which he has saved when he finishes his enrollment. If he stays a year he receives

The \$15.00 a month which the enrollee sends home to his family is a very important matter in most households. For many young men the CCC provides the first opportunity they have ever had to help the folks at home.

If a youth, is promoted by hard work to be an assistant leader, he receives \$36.00 a month. If he succeeds in becoming a leader he receives \$45.00 a month. The total value of the food, clothing, medical care, etc., and the \$30.00 cash Wages paid to each CCC enrollee is estimated at \$66.25 a month. The CCC also offers training to young men who are interested in becoming skilled workers.

RING AGAIN THE PROCLAMATION

(An Editorial by Dan Tompkins)

Never, on any Fourth of July, since the representatives of the thirteen colonies signed their names to the immortal declaration, and pledged their lives and their sacred honor to the cause of liberty, has there been greater need for the people of this the greatest democracy on earth, to renew that pledge to reaffirm their faith in their institutions, and in the God of their Fathers.

Ring again, bell of history. Call us once again to rally to the flag of freedom, re-echo the immortal words from the sacred pages of Holy Writ that are inscribed upon you.

The days that lie ahead hold peril for the cause that you proclaimed on that Independence Day. The days for great determination, for high courage, for profound faith are upon us.

To that faith, to those beliefs, this generation of Americans, and our brethen of the English-speaking world, who with us hold a common spiritual heritage, rededicate ourselves and our country, with firm faith in that God, in whom the founding fathers placed their faith, and entrusted the nation that they had brought forth upon this continent.
