

## FULL SPEED AHEAD

RALLY around Uncle Sam, Americans! Defense plans in hand — trumpet to his lips, he calls one and all to keep things moving. Coast to coast, boundary to boundary, the nation's going full speed ahead for your own defense, your neighbor's our democracy's defense! There shall be no bottleneck, in our shipyards, in our munitions plants, in plane or tank factories — IF THERE IS TO BE NO BLACKOUT OF DEMOCRACY in the World! Answer the call — to rally around Uncle Sam; Liberty's Guardian.

THE Strong Right Arm - The Tower of Strength behind Uncle Sam - Back of his mighty fleet that guards the Oceans - Back of his soldiers in the camps - Back of his outposts on the islands of the seas, stands a United and Unconquerable people, keeping the ever-increasing supplies flowing to the guardians of Democracy.

Jackson County people, organizations and businesses salute Jackson County's Loyal Army in Overalls, that patriotic section of our citizenship, that keeps the wheels of industry moving, in the mills, the mines, the forests and fields of our County. Thank God for loyal men and women!
