The readers of this paper will be pleased to learn there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. Confederate Veterans—Attention.

Editor Courier:—Please allow me to announce through your paper to the Veterans of Haywood county that I have called a meeting to convene in the court house at 12 o'clock, sharp, on Tuesday of court, April 6, '97. I earnestly desire the presence of every veteran—a short meeting only, is necessary. At this meeting, also, I call together all the members of the Pink Welch camp, No. 848, of this place. Important business demands your attention. In the meanwhile and before that all members are notified to pay over to Col. G. W. Clayton, the Adjutant, the annual dues of ten cents, to be forwarded before April 1st. Now, my comrades, I earnestly appeal to you to give heed to this matter. Our ranks are rapidly disappearing before the resistless charges of the squadrons of "Pala horse." Please

Our old friend Geo. W. McKinley who has been spending some months at the National Hotel left Wednesday for his home in Felicity, O. He has added many new friends on this last trip and the new ones and old ones too regret to see him leave town even for a few months.

Our young friend Edwin Clayton, son of Col. G. W. Clayton left Wednesday for Atlanta where he has accepted a position as assistant superintendent of Waterworks. His uncle is City Engineer for that bustling city and it is through his influence that Ed gets his position. We wish him success but regret to lose him.

Mr. A. A. Marshall, special agent for the Phoenix Mutual Life insurance company of Hartford Conn., who has spent considerable time here the past few months is working up all our western counties, establishing agencies, etc. Mr. H. B. Corkran is the local agent here. This is one of the best standard companies and we recommend it.

As Col. Timberlake once managed the Haywood White Sulphur Springs hotel here the following is perhaps of local interest: "Col. J. C. S. Timberlake, formerly of the Saint Simon Hotel, Brunswick, Ga., spent yesterday at the Buford. He will open a hotel this summer at Goshen, Va. Col. Timberlake and Col. L. S. Williams are old war comrades. They were at Yorktown together."—Charlotte News.

The first annual session of the Asheville Presbytery will be held in the Presbyterian church at this place beginning April 27, and continuing Monday and Tuesday.

Rev. R. W. Alexander returned Monday evening from a visit to his former home at Pineville, and visited also Charlotte and Mills, S. C. Some efforts being made by several to secure his services. He is a great believer in good roads.

Mr. D. B. Vaughn of Louisville, familiarly known as "Dave" is in town stopping at the Battle House waiting for his new samples to arrive. He will travel for the Bamberger dry goods firm of Louisville.

Mr. R. H. Dykers, manager of the Waynesville Coal Co., has leased the Creamery ice house from Captain Howell and will be prepared to supply the town and the adjacent country with ice during the summer season.

Our Jail Birds Caught in Tennessee.

Last Saturday Sheriff Haynes received a dispatch from the sheriff of Cocke county, Tenn., saying our four prisoners that recently broke jail here had been caught and 3 of them were to be turned over to him. The other one, Sam Hall, was wanted in Tennessee and has been turned over to the proper authorities.

Sheriff Haynes and deputy Columbus Henson left here Monday for Newport, Tenn., to bring the escaped prisoners back "home". The Newport sheriff was paid \$30. for his trouble. He located them in Sevier county. Hall it seems stole \$1.50 from one of the inmates and this caused considerable trouble. They had a big racket over it and separated from Hall on account of it. The inmates crowd wrote a note and stuck it up in a public place telling which way Hall had gone, about his being wanted here. This note led to Hall's capture. Then Hall retaliated and gave away the others.

When the officers found that \$10. each was all Haywood county offered they surrendered Hall to Sevier county Tenn. because that county offered \$25. for him.

The officers and prisoners returned on Tuesday night's train and the boys are likely to languish in their old quarters until Judge Ewart's next court.

They say someone from the outside liberated them but refuse say who that "someone" was.
