### This Lung Remedy Known Fifteen Years

If everybody who suffers from or is threatened with Lung Trouble would investigate the many cases where recovery was brought about through the use of Eckman's Alternative, a remedy which has stood the test for nearly fifteen years, a strong opinion in favor of it would be the result. What it has accomplished for others it may do for you. Read this:

"Gentlemen: (Last December I took a sudden cold, which developed into Pneumonia. The doctor did all he possibly could for me, but could not clear my lungs. One day I saw a testimonial in one of the papers telling of the good results someone had from taking Eckman's Alternative for a trouble of the lungs. I began taking it and soon felt good results. My lungs began to clear up and I began to gain in strength and was soon well enough to take up my work again. I am in better health now than I have been at any time. I am a missionary worker for the New York Home for Homeless and Friendless Boys."

Address: ERNEST P. WILCOX, (Above testimonial) may be requested.) Eckman's Alternative has been proven by many years' test to be most efficacious for severe Croup and Lung Affections, Bronchitis, Bronchial Asthma, Stubborn Coughs and in applying the system contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists.

## Marvelous Works of Art to be Shown at San Francisco

Thirty-six of the World's Navies Will Participate Officially Upon a Stupendous Scale—World's Most Noted Architects Create City of Palaces the Like of Which Man Has Never Before—England to Exhibit.

The photographs upon this page reveal just a few of the thousands of marvels that will be seen by the millions who visit the Panama-Pacific International Exposition in San Francisco next year.

The opening of the Panama canal is regarded by the nations as one of the most stupendous events in the history of the world, and in recognition of the great work at Panama there will be exhibited in San Francisco such a display of the world's progress as has never been seen before.

The news that England will exhibit at the Panama-Pacific International Exposition is evidence of the amazing interest that is everywhere taken in America's Panama canal celebration.

Thirty-six of the world's great nations will officially participate in the exposition. Here is the list: Argentina, Australia, Austria, Bolivia, Brazil, Bulgaria, Canada, Chile, Costa Rica, Cuba, Denmark, Dominican Republic, Ecuador, France, Guatemala, Haiti, Holland, Honduras, Italy, Japan, Liberia, New Zealand, Nicaragua, Panama, Persia, Peru, Portugal, Salvador, Siam, Spain, Sweden, Turkey, Uruguay, Venezuela and Great Britain. The nations have appropriated enormous sums. The Argentine, for example, has appropriated \$1,300,000 gold for its display; Canada has appropriated \$600,000 and construction is far advanced on the great Canadian pavilion.

The natives of every civilized country on earth will be enabled at San Francisco to behold a surpassing view of the progress of their native land.

Throughout the United States and in foreign lands millions of people are planning to visit the exposition next year. At a recent meeting of the Transcontinental Passenger association it was decided to make great reductions in railroad fares. The exposition opens on February 20 and closes on December 4, 1915.

The exposition today is one of the sights of the world. The passenger on a steamer through the Golden Gate beholds the vast domes of the exposition palaces rising like the domes and minarets of a fabled Oriental city. Before the main group of exposition palaces, which face north upon the harbor for more than one mile, a great sea esplanade has been constructed; this has been wonderfully landscaped with thousands of rare trees and shrubs brought from distant parts of the world. Here multitudes will gather during the exposition to view by day the assembled warships of the world's navies and at night a wonderful series of colored illuminations visible forty or fifty miles away. The entire exposition grounds parallel San Francisco harbor for almost three miles.

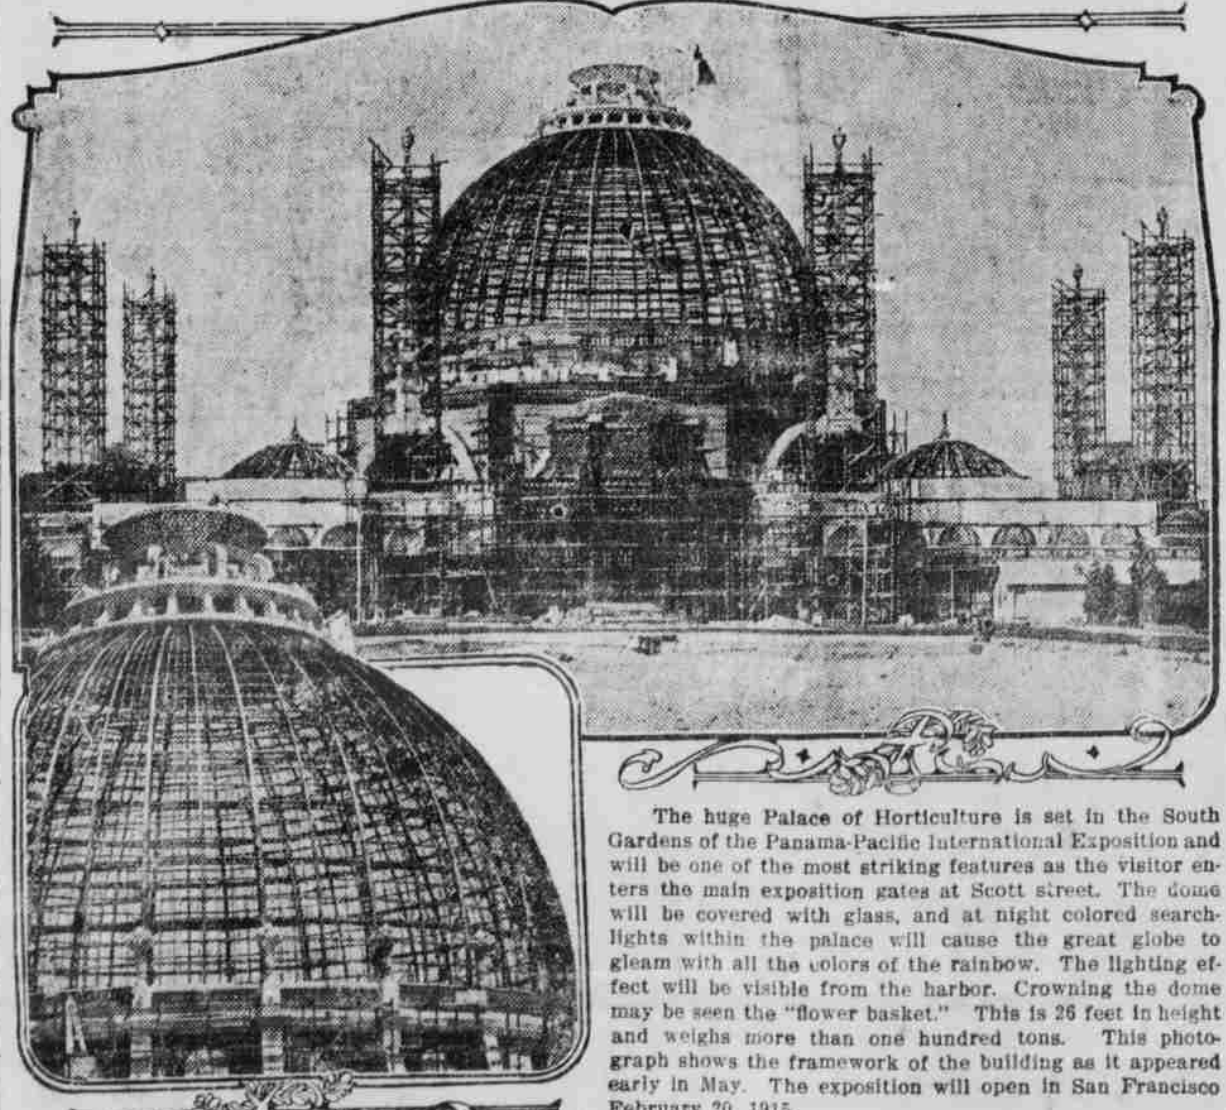

A HANDSOME book of sixty pages, illustrated profusely in colors and giving detailed descriptions of the Panama-Pacific International Exposition to be held in San Francisco from February 20 until December 4, 1915, and of the Panama canal and the canal region, will be mailed by the Panama-Pacific International Exposition free of charge to all inquirers. The booklet is intended as a general guide to prospective visitors and will also contain information concerning the great engineering feat which the exposition is to celebrate. Write to the Manager, the Bureau of Publications, Panama-Pacific International Exposition, Exposition building, San Francisco, for the booklet.

This photograph shows a half-dome in the colossal Palace of Education at the Panama-Pacific International Exposition in San Francisco in 1915. The world's most noted artists, mural decorators and sculptors were engaged to decorate the exposition palaces and, as a result, the huge structures are indescribably beautiful. The interior of the dome is embellished with a superb mosaic of brilliant colors, designed under the supervision of Mr. Jules Guerin, the noted artist. The height to the top of the half-dome is 110 feet.
