BOARD OF TRADE HOLDS ELECTION OF OFFICERS.

Mr. S. C. Satterthwait Made Head of Local Organization—Committee Appointed to Look After Important Matters.

An enthusiastic meeting of the members of the Waynesville Board of Trade was held in the rooms of the Waynesville Club last Thursday night.

The reports of the president, secretary and treasurer were all most encouraging. President Clyde H. Ray told briefly of the things that the organization has accomplished during the past twelve months.

The election of officers for the new year showed a united sentiment on the part of the members. Mr. S. C. Satterthwait was elected president unanimously.

Mr. Ernest I. Withers was unanimously elected secretary. Mr. Hilliard B. Atkins was re-elected treasurer by acclamation.

The following thirteen directors were chosen: W. T. Blaylock, John H. Smathers, Hugh J. Sloan, J. M. Mock, S. C. Satterthwait, Jr., P. L. Turbyfill, M. Theo. McCracken, J. N. Shoemaker, R. B. Wilson, W. A. Hyatt, W. L. Hardin, J. F. Bass, O. H. Shelton.

The question of train service during the approaching summer season was brought forward by Mr. W. A. Hyatt and the point made that Waynesville should have another morning train from Asheville.

The following committee was appointed to attend the meeting of the Greater Western North Carolina Association at Asheville this week.

Mr. W. T. Blaylock presented the matter of a commission form of government for Waynesville and suggested that a committee be appointed from the Board of Trade to meet with a committee from the Board of Aldermen to discuss the matter.

HOKE-GLENN DAMAGE SUIT CENTER OF COURT INTEREST

Mrs. R. L. Hoke of Canton is suing Dr. E. B. Glenn and the Biltmore Hospital for Twenty Thousand Dollars for Alleged Injuries.

The center of interest in the Superior court this week has been the damage suit of Mrs. R. L. Hoke of Canton and her husband, Mr. R. L. Hoke, against Dr. E. B. Glenn of Asheville and the Biltmore hospital for damages of twenty thousand dollars for injuries suffered as a result of carelessness and negligence on the part of the defendants.

The first witness examined in the case was Mrs. Hoke. She testified that after considerable trouble and upon the advice of physicians she entered the Biltmore hospital and underwent an operation on November 4, 1912.

In the course of about three weeks Mrs. Hoke testified that she had recovered sufficiently to return to her home in Canton and thereafter gradually became well enough to be about the house and perform some of the ordinary household duties.

The witness testified to a subsequent operation by Dr. Finney at Johns Hopkins hospital at Baltimore and a course of treatment preceding that at Dr. Grunner's sanatorium in Asheville.

Mr. Hoke went on the stand to corroborate the testimony of his wife. He told of the arrangements for the operation at Asheville, of the fact that his wife has complained of the suffering after recovering from the operation.

Under cross examination he admitted that he had not paid Dr. Glenn for his services in the operation at Asheville nor for having accompanied Mrs. Hoke when she went to Baltimore afterward.

At this point a number of witnesses were introduced to testify to the good character of both Mr. and Mrs. Hoke and the plaintiffs rested their case.

Thereupon counsel for Dr. Glenn and for the hospital entered formal motions for non-suit. Both were

GRAND JURY AGAIN MAKES IMPORTANT SUGGESTIONS.

Present the Fact That Water Connections Should be Made at County Home and Heating Plant Installed in Court House at Once.

The grand jury for the January term of Haywood county Superior court filed its report with Judge Cline last week and was discharged, having completed the work before it. The report of the grand jury again strongly recommends many of the things that have formed the main subject of reports from former grand juries.

The need of water at the county home, the necessity for a modern heating plant in the county court house, a county auditor, all have been urged by other grand juries and are again urged by the present body.

The grand jury, respectfully submit the following report:

We have carefully examined all bills of indictment sent for our consideration, and have continued such as could not justly be reported on, owing to lack of witnesses.

We have visited and examined all the county offices and take pleasure in testifying to the cleanliness and neatness of each. We have no criticism to offer as to the method of keeping records, except as to the office of County Treasurer.

We also recommend that the County Commissioners employ a County Auditor. In making this suggestion we do not wish to be understood as advocating the creation of a new office with high salary attached.

We have examined the county home and find conditions as a whole to be splendid at that institution. The inmates are well cared for, and have an abundance of wholesome food, and comfortable clothing.

The County Convict Camp has been inspected and seems to be in a thoroughly satisfactory condition. It is the opinion of the Grand Jury that some slight improvement could be made in the food of the convicts, but there was no complaint from the convicts themselves.

We find the Court House and the County Jail to be in good condition. There has been much criticism as to the condition of the toilets in the court house, but the Grand Jury can't see its way clear to join in the criticism.

SEVEN YEARS SENTENCE FOR ASSAULT UPON CHILD

Young Negro Given Long Term for Attempt at Criminal Assault on Little Child—Other Cases in the Criminal Court.

The criminal docket of the present term of the Superior court was completed last Friday afternoon and the trial of civil cases began.

The most important case on trial was that of Lon Boss, the young negro charged with an attempt at criminal assault upon the person of little seven years old Esther Sussman. The case was called on Thursday and the jury returned a verdict of guilty on the following day.

Judge Cline imposed a sentence of seven years at hard labor in the state prison upon the defendant. His attorneys, Messrs. Alley and Gilmer, gave formal notice of appeal to the Supreme court.

Fred Elliott, carrying concealed weapon, entered plea of guilty and was fined \$40 and costs.

Lee Parton, retailing, found guilty and sentenced to twelve months on roads.

Nute Cole, resisting an officer, found guilty and sentenced to four months on roads. The jury returned a verdict of not guilty against the same defendant on a charge of drunkenness and a verdict of guilty on a charge of carrying a concealed weapon, judgment being suspended.

Howard Brown, carrying concealed weapon, entered plea of guilty and sentenced to seventy days in the county home.

John M. Brendle, charged with an assault with a deadly weapon, namely wounding his wife by shooting her in the head, entered a plea of guilty. Judge Cline imposed a sentence of two years upon the county roads, the sentence not to go into effect should the defendant leave the state by Saturday, January 23, and not here after return to North Carolina.

The grand jury returned not a true bill in the case of Mrs. Minnie Evans, charged with the murder of her husband a few days before Christmas. The coroner and his jury returned a verdict of justifiable homicide upon investigating the case, but the woman was held in jail without bond to await the action of the grand jury.

Charlie Briggs, charged with retailing, found not guilty.

Frank Maney, larceny of a piece of leather from a store at Hazelwood, found guilty and sentenced to seventy days on the roads.

Pearl Rice, vagrancy, appeal from police court, jury unable to agree and mistrial ordered.

to make with respect to the court house and that is that a suitable heating plant be installed without delay. The present heating facilities are cumbersome and inadequate.

The Grand Jury was informed that the Graded School building at Canton was not equipped with fire escapes, and upon investigation we find this to be true. We recommend that this matter be looked into at once by the proper authorities.

Respectfully submitted, JAMES E. CARRAWAY, Foreman.

Cressmont, N. C., Jan. 27.—The Cressmont Sunday School has fully entered upon a new year, with an attendance of 160. We are well pleased with the outlook for the New Year, and all our teachers are full of the Sunday School spirit and they say they are going to make this year's work the best of their lives.

In last week's Courier we told you that we would give the readers of The Courier the Fifty Two Bible questions asked by the Superintendent and the names of the persons answering them correctly.
