COMMUNICATIONS.

(Correspondence of the LEADER.)

Maxton.

MR. EDITOR:—Maxton is located in upper Robeson at the crossing of the C. C. and C. F. & Y. V. Railroads, also the terminus of the M. A. & Little Rock Road, 87 miles from Wilmington, 36 from Fayetteville and 21 from Bennettsville. It is surrounded by a level, fertile country, inhabited by industrious, thrifty, well-to-do people. The lands in this section will compare favorably with those in any portion of this State or South Carolina. So with the inhabitants. They are mostly Scotch and are a high toned, sober, industrious people, with noble, moral and christian aspirations.

Among such a people and surroundings, your scribe's lot has been cast for the past two years. The town itself is yet in its infancy, and is composed of thirty stores and business houses, two buggy shops, two hotels, three churches, with a strong and vigorous working Y. M. C. A., three schools, three depots, two livery stables, barber and blacksmith shops, but "narry" bar shop. There are from 50 to 200 bales cotton handled here per day, at this season of year, and it is a busy, bustling, "git up" little place; made more so, just at the present, by the extensive preparations being made for the approaching Border Exposition, that is to take place here the 22d to 24th of the present month. It promises now to be a big thing, as both the Carolinas are to take part, and our people are putting every effort forth to make it vie even with the State Fair. We would be glad to see hundreds of the good people of Moore on hand. Yes, come and see our level country and our neat little town, shake hands with our whole-souled farmers, see our pretty girls and see a fair "what is a fair."

Politics are remarkably quiet. The Alliance here, as elsewhere, take a big hand, but they are Democratic to the core, and there is no split or wrangling in the ranks, and the Democrats will be sure to hold Robeson with increased majority.

I was glad to see, Capt. Willcox come square out on the Vance question. I could not think otherwise; I have seen him too often in the front ranks amid the dust and smoke of hard fought battles in past campaigns. It would be hard to make a better selection for the House than our young friend, W. P. M. Currie, of good stock, fine abilities, full of vim and pluck, and wunal a sound Democrat. Moore will never be ashamed of W. P. M. Currie. The nominees for Clerk, Sheriff and Register will "get there" whether Eli does or not, and three more deserving or capable young men the county never gave birth to. Three cheers for the whole ticket.

The rads seem indeed hard up for a ticket. J. F. Reynolds, my old neighbor, is finely straddled with the House nomination. John had better stay at home and 'possum hunt, for he is the boss 'possum hunter in all western Moore, and if you let him go to Raleigh, he will go 'possum hunting, if he can find any woods in ten miles around, dog or no dog, and wouldn't Moore be represented, John Andrew with his jack-ass and John Fletcher with his 'possums.

Wherever we may go, or wherever our lot may be cast, old Moore, my native county, will always hold a tender place in our hearts. The green grass is growing over dust there that is precious to me, and there are no better people living than the good, whole-souled, hand-shaking people of Moore. The LEADER pays its weekly visits to our quiet fireside and no paper was ever devoured with more relish by a family. Should this not find its way to the waste basket, you may hear from us again at intervals. G. A. S.

My Friend--A Word With You.

Do you know that every man who desires to vote at this election must REGISTER ANEW? Even if you have REGISTERED and VOTED before, you must register again under the new Election Law to vote this year.

Do you want the Republicans to carry the election and have your neighbors arrested and put in jail as in 1868-9? If not, REGISTER and VOTE THE DEMOCRATIC TICKET.

Do you wish the negro to get control of your county and State? If not, REGISTER and VOTE for the DEMOCRATIC NOMINEES.

Do you not know that every NEGRO in the State will REGISTER and VOTE? Then so must every WHITE MAN.

Do you want negro Yankee soldiers with drawn bayonets to meet you at the polls and dictate to you how to vote? If not, be sure your name is on the registration books, and do not fail to vote the straight Democratic ticket.

You can't register after Oct. 24th—so REGISTER AT ONCE. Don't say you have not time—take time—YOUR HAPPINESS DEPENDS ON IT; THE GOOD NAME AND PROSPERITY OF YOUR STATE DEPENDS ON IT; HONEST GOVERNMENT AND WHITE MAN'S CONTROL DEPENDS ON IT. DON'T WAIT. Delay may cost the defeat of the party.

General News.

Wake Forest has now 196 students. Justice Miller, of the Supreme Court of the U. S. is dead.

It is probable that an extra session of Congress will be called.

James H. Young (col.) has been appointed collector of the Port at Wilmington.

Remember that the Hon. G. W. Sanderlin will speak here next Wednesday, 22nd inst.

Gen. Wm. W. Belknap, ex-Secretary of War, is dead. Death sudden and unexpected.

The Democratic Executive Committee in South Carolina endorses Tillman for Governor.

We notice that the Tomahawk advertises its subscription price \$200 per year. Tolerably steep—but we take it. Can't do without it.

Rube Burrows, the noted outlaw, has been killed. He left a will bequeathing property to the amount of \$20,000 to his son and daughter.

We regret to learn that Mr. H. C. Wall has severed his connection with the Roekingham Rocket. We trust that he will not retire altogether from the journalistic profession.

We are in receipt of Catalogues from Elon College, N. C., and Virgin-Business College, Bedford City, Va. The former has about 100 students and wants more. The latter will take all it can get.

Branson's Almanac for 1891 is out, and we notice that it still continues some republicans in office, who must step down and out, despite the fact that Branson has prophesied respecting them.

Rev. Thomas Dixon will lecture in Durham on 28th inst., his subject being "Fools." He may possibly be able to count a quorum, but many of his subjects will be absent, some of them sojourning in this county.

The Western Sentinel tells us that the money circulation in this country has increased about \$60,000,000 during the past month. We believe everything that the Sentinel says, always, but are willing to swear that this country has been overlooked in the distribution, if its assertion be true.

Oxford Orphan Asylum has at present 253 inmates. As Christmas draws nigh, let everyone generously inclined, save up something, however insignificant in value it may be, to send this

institution, that the heart of some homeless, lonely orphan child may be gladdened, while the donor enjoys the festivities incident to the Christmas time.

The housekeepers are complaining of their inability to secure cooks. The negroes all quit the kitchen for the cotton fields so soon as cotton picking begins, and the white folks begin to sing,

"We may live without poetry, music and art. We may live without conscience and live without heart. We may live without friends, we may live without books. But civilized men cannot live without cooks." —State Chronicle.

The LEADER adds the following: We have lived while the cooks to the cotton fields have kied. We have lived without them, whenever we have tried. We have lived without them, as our wife can attest. And of all the cooks vet, our daughters are the best.

Cruel and Unusual Punishment.

The following incident is related of this paper by Capt. L. R. Exline, Register of Deeds of Chatham county.

A witness, about to testify, was required to leave the stand, and retire to the jury room, so as not to hear the argument as to the admissibility of his expected testimony. The Judge ordered the Sheriff to provide him with a newspaper to read, the Sheriff accordingly handed him the LEADER (which is exceedingly popular in Chatham). Capt. Exline says that after being released, the man remarked that he didn't mind being put in jail, but he'd be d— if he didn't object to cruel and unusual punishment, such as being made to read such a paper as the Sheriff gave him.

Exline has incurred the everlasting enmity of our whole force, even the devil participating in the sentiment.

The Verdict Unanimous.

W. D. Sult, druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles and was cured of rheumatism of two years' standing." Abraham Hare, druggist, Bellville, O., affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the liver, kidneys or blood. Only a half dollar a bottle at McIver & Dalrymple's. 2

Merit Wins.

We desire to say to our citizens that for years we have been selling Dr. King's New Discovery for consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. McIver & Dalrymple. 1

Their Business Booming.

Probably no one thing has caused such a general revival of trade at McIver & Dalrymple's as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, colds, asthma, bronchitis, croup, and all throat and lung diseases quickly cured. You can test it by getting a trial bottle free, large size \$1. Every bottle warranted. 3

Bucklen's Arnica Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, teiter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by McIver & Dalrymple. 49-1y

The New Registration Law.

The following synopsis of the new law providing for the registration of voters, prepared for the Goldsboro Dispatch by a lawyer of that town, and to which we make two important additions, will be found useful both to registrars and voters:

1st. First there must be a new registration of voters; the county commissioners having so ordered.

2d. The voter shall give, and the registration books shall show, as near as may be, the age occupation, place of birth and place of residence, and also the full name of the voter, and in case of removal, the township or county from which he has removed.

3d. The registration books shall be kept open for registration from sunrise to sunset each day, except Sundays, from the 20th day of September to the 24th day of October, 1890, inclusive; and no registration will be allowed after the last named day, unless the voter shall have become qualified, by becoming of age, since the closing of the registration books, as above provided.

4th. On Saturday, October 25th, 1890, it shall be the duty of the registrars and judges of election to attend at the polling places of their township or precinct, with the registration books, from nine o'clock, a. m. till five o'clock, p. m., when and where the registration books shall be open to the inspection of the voters, and objection to voters shall then be made, and the word "challenged" noted on the books, and a time and place before election day, shall be appointed to hear such challenges upon giving notice to the person challenged. But such challenges may be made at any time.

5th. All male persons, twenty-one years old and upwards, (not being idiots or lunatics, or having been convicted of an infamous crime committed after January 1st, 1877, and not having been legally restored to rights of citizenship) born in the United States, or who have been legally naturalized, who shall have resided in the State 12 months next preceding the election, and 90 days in the county in which he proposes to vote, shall be entitled to vote.

The residence of a married man shall be where his family resides, and that of a single man where he boards and sleeps, and should he stay in one precinct and board in another his residence shall be where he sleeps.

And if an elector has previously been registered in any ward, precinct or township in the county, he shall not be allowed to register again until he procures a certificate of the registrar of the former township, ward or precinct, that he has removed from the same, and that his name has been erased from the registration books of said ward, township or precinct.

And the identity of any person claiming a right to be registered in any precinct of the same county by virtue of such certificate, with the person therein named, shall be proved by the oath of the claimants, and, when required by the registrar, by the oath of at least one other elector.

6th. Every person who shall present himself for registration shall state under oath how long he has continuously resided in this State and in the county in which he offers to vote; whether he is an alien or native born; when he becomes twenty-one years of age, whether married or single, and where or with whom he resides. Upon the request of any elector the registrar shall require the applicant to prove his identity or age and residence by such testimony, under oath, as may be satisfactory to the registrar.
