 TROY, N. C.

J. W. MCKENZIE Editor and  
 Publisher.

**LOCALS.**

—We learn that our friend D. D. DeBerry, Esq., of Wadeville, had the good luck last Saturday to kill a fine buck.  
 —Rev. J. C. Sanford, has been sent to this Mt. Gilead circuit for next year. Rev. J. E. Woosley has been returned to the Pekin circuit.  
 —The firm of Z. T. Wright & Bro., of this place made an assignment last Thursday morning. Liabilities about \$13,000; assets unknown.  
 —We regret to learn that Mr. Haywood Morris of Mt. Carmel is quite ill from the effects of a very painful carbuncle. It is hoped his affliction will not prove serious.  
 Rev. J. B. Hurley is on a visit to his native health, and will spend his vacation among his relatives and friends in this vicinity. His charge for the next year is Lonsburg station.  
 —Our friends will please bear with our small sheet. It will be but a short while until we will have our new office finished when we will return to the usual full sized sheet.  
 —A very important meeting of the Troy Farmers' Alliance will be held on Friday, Dec. 28th at 10 o'clock in the morning. Every member is requested to be present promptly at the hour above mentioned.  
 —C. C. Wade, Esq., is having considerable improvements added to his residence, and when the carpenter's work is finished he informs us that he will have it nicely painted. When this is done it will be a very handsome residence.  
 —Mr. Harris Dennis, of Uwharrie township, while under the influence of liquor, at the Sam Christian mine last Friday, got into a difficulty with Lee Morris, who gathered a new chair, and with it beat Dennis over the head, inflicting ugly and serious wounds and bruises, from which we learn Mr. Dennis is considered in a dangerous condition.  
 Troy Sub-Alliance met according to appointment last Saturday, and elected officers for the ensuing year, as follows: President, A. E. Eury; Vice President, J. A. Reynolds; Business Agent, Jos. A. Reynolds. The election of Secretary, Treasurer and other minor officers was postponed until the next regular meeting. One application for membership was accepted, and the candidate will be initiated at a called meeting to be held on Friday, Dec. 28th, at 10 o'clock A. M.

**MT. GILEAD LOCALS.**

Our town is on a boom. Building improvements are still progressing. More families are moving in. Another new store has been opened here. Christmas is most here and our people are making preparations for its pleasant festivities.  
 —Mr. M. M. McRae, of Philadelphia, is visiting relatives and friends at this place, and will remain for several weeks.  
 A. S. McRae, our bottom price man, is getting in his Xmas goods. He is always ready to give bargains for cash.

Correspondence VIDEET.  
 Mr. Editor: As it has been some time since the readers of your valuable paper have heard anything from this section I will give you a few clips from your sister county, as the VIDEET, calls it, but we think Stanly is properly Montgomery's oldest daughter—born in 1841 and named in honor of its father Hon. John Stanly. Since her birth her sons and daughters have multiplied until her population exceeds many other counties whose area exceeds hers. She has reared many sons who have been leading lights in the ranks of Democracy, and who he it said to their credit have always voted the Democratic ticket straight.  
 Mr. S. D. Robbins, of this place has been confined to his bed for the past four weeks with lumbago and sciatic rheumatism, but under the efficient treatment of Dr. W. D. Pemberton, Charley is now, with the aid of crutches, again able to get to his store.  
 Although we are "small potatoes and few in a hull," we are not the least in all respects. Mr. S. D. Bost, of this vicinity has the finest stock of hogs in this whole section. He has the Berkshire, Chester and Jersey breeds, imported from Pennsylvania. A neighbor killed a seven-months old Berkshire pig a few days ago which weighed 212 pounds net.  
 Wishing much success to the VIDEET and its noble editor, I remain  
 Yours Truly,  
 SHIPLEY

The News and Observer says that the election of all four Congressmen in West Virginia seems to be disputed. The State went Democratic. The Supreme Court of the State was appealed to to take some action in view of alleged frauds. The court seems to have entertained the motion and then adjourned over for the day. When the majorities claimed are to be counted on the fingers, it would not be remarkable if enough illegal votes were unearthed to change the result. One of the Republicans, McGinnis, it is said, claims a majority of 9 over Alderson.

**Tribute of Respect.**

MT. CARMEL, FARMERS' ALLIANCE NO. 118, Nov. 24th, 1888.  
 As a Memorial Committee, it becomes our painful duty to chronicle the death of Brother A. D. Thompson, which occurred at his home in Uwharrie Township, Montgomery county, N. C., Nov. 5th 1888, aged 30 years. And whereas it has pleased Almighty God to take from our midst our Brother Thompson, we, in expression of the sentiments of this Alliance.  
 Resolve 1st. That while we sincerely mourn his departure, we bow with christian submission to

this dispensation of Divine Providence

Resolved 2nd. That we tender his bereaved family our tender sympathies in their great affliction, and commend them to the love of Him who does all things well.

Resolved 3rd. That a copy of these resolutions be spread upon the minutes of the Alliance; a copy each be sent to the office of the Montgomery VIDEET, and the "Progressive Farmer," with request to publish.
