Smitherman Cotton Mill News.

The Wedding bells are ringing once more on the ridge. Miss Minnie Lasiter and Mr. Worth Luck, were married Sunday.

The protracted meeting began at the Northern Methodist church last Sunday.

Every farmer who does not want his squirrels killed had better put up notices like this: Oh Mr. squirrel you must stay in your den, or else you will be killed by the cotton mill men.

The band boys gladly gave their service to the Bryan-Kitchin club last Tuesday night. While all of the boys are not Democrats, they are not partial with their music.

Everybody should join the Bryan-Kitchin club, for Taft and Cox are not able to organize a club.

Mr. P. E. Nordan went to Glendon last Saturday.

Mr. E. T. McInnis spent Saturday in Star.

Mr. Arch Cranford will furnish you in clothes lines now. He paid sixty five dollars for a county right to sell them.

During Mr. Cleveland's panic people said we had a big State soup house. Now the panic of Mr. Roosevelt is on; the Republican party has not got the money to build the soup house.

DEMOCRAT.

It's a pity when sick ones drug the stomach or stimulate the Heart and Kidneys. That is all wrong! A weak Stomach, means weak Stomach nerves, always. And this is also true of the Heart and Kidneys. The weak nerves are instead crying out for help. This explains why Dr. Shoop's Restorative is promptly helping Stomach, Heart and Kidney ailments. The Restorative reaches out for the actual cause of these ailments—the failing "inside nerves." Anyway test the Restorative 48 hours. It won't cure so soon as that, but you will surely know that help is coming. Sold by Troy Drug Store.

Announcement.

The following changes made in appointments on Montgomery Circuit, M. E. Church, South, for the balance of the month of September:

Protracted meeting begins at Flint Hill 4th Sunday with preaching at 11 a. m. and 2.30 p. m. Everybody invited to come, prepared to take dinner on the church grounds.

To the Churches of the Montgomery Association.

The Montgomery Baptist Association convenes with Troy Baptist church Thursday morning, October 15, 1908.

Let every church in the association appoint a full quota of delegates at once—delegates that will attend. Business of importance demands and Troy wants a full delegation.

Troy will amply provide homes for all of the delegates and visitors. Come, and let us have the best session in the history of the association.

J. E. M. DAVENPORT.

A pleasing, good, high grade, truly flavored, amber colored cup of coffee can be had—and without the real coffee danger, or damage to health—by simply using Dr. Shoop's new substitute called "Health Coffee". Pure, wholesome, toasted cereals, malt nuts, etc. make Dr. Shoop's Health Coffee both healthful and satisfying. No 20 or 30 minutes tedious boiling. "Made in a minute," says Dr. Shoop. If served as coffee, its taste will even trick an expert. Test it and see. Saunders & Brown.

Mt. Gilead Notes.

Messrs. N. G. Deaton of Biscoe and D. M. Deaton of Mt. Gilead have rented the Haywood store house and are now ready to repair shoes and harness; they will also make new harness.

Two little sons of Robert Matheson of Pee Dee went out Monday, and while out ran across a very large adder. The little fellows, having that American disposition and Scotch blood, soon attacked the serpent, and came out victorious. They carried the snake home and it measured over four feet and was seven inches around.

Rev. J. A. Lee, closed his protracted meeting here Tuesday adding twelve members to the church.

Miss Fannie Burkhead of Asheboro is visiting relatives and friends in the city this week.

Dr. C. B. Ingram has completed his new house. It's a beauty!

A little 5-year-old daughter of J. M. Strother died Monday of sore throat. I have never seen the little child but have heard that she was of a sweet disposition. The parents have our sympathy.

Davis Haywood, son of E. T. Haywood, has typhoid fever and they have secured a trained nurse for him. We learn he is doing very well.

Misses Helen and Katie McAulay, Bettie Stanback and Annie Newby left for Greensboro Female College today.

Mr. Henry Ingram left for Trinity Tuesday.

Atty. W. A. Cochran of Troy was in town a day or so ago on legal business.

Messrs. Pray Haywood and Philip Scarboro have gone to Durham to enter school.

Mrs. S. V. Stewart of Concord and Mrs. Mary E. Snuggs of Albemarle were visiting relatives and friends in this vicinity last week.

Mr. Jesse Lisk and sister Burdette of Troy are visiting at Mr. H. G. Scarboro's this week.

Don't be afraid to give Chamberlain's Cough Remedy to your children. It contains no opium or other harmful drug. It always cures. For sale by Troy Drug Store and all first-class druggists.

Obituary.

Died, little George Allen, aged about three years, eldest son of Mr. and Mrs. C. M. Allen, while on a visit to their parents at Pekin. The death angel came Friday morning Aug. 28th, and took away the soul of little George after an illness of only one week. George was an unusually bright and intelligent child. We miss his sweet face and childish prattle in the home. Home is sad without him, father and mother will miss him, but we commend them to God who will love and care for them when earthly helps all fail.

The funeral services were conducted by Rev. H. M. Ingram in the presence of a large crowd of sorrowing loved ones in Little River church Saturday at eleven o'clock.

Voting Contest Closes Friday, September 18th.

Pink Pain Tablets—Dr. Shoop's—stop Headache, womanly pains, any pain, anywhere, in 20 minutes sure. Formula on the 25c. box. Ask your druggist or doctor about this formula—it's fine. Troy Drug Store.

Patronize Home.

When we buy at-home we get the goods and keep the money, and when we buy in other markets we send the money away.

It is to the interest of every man, woman and child to ask for and to get Southern made goods. The more sold the more work there will be for every one.

If you have surplus money to invest, look around in your home town or state. See what factory or mercant could use more money to advantage. Place it where you can see just what it is doing and were you will have something to say about it, rather than in stock and bonds away off, where you absolutely have no chance to have the slightest opportunity of saying a word and where it is hard to tell the exact facts as to what the company is doing. You can get better results from your investment at home, besides by increasing business in your section you increase its wealth of which you will get your share.—Durham Sun.

Will Take Anything On Subscription.

Will we take eggs on subscription? We'll take the entire output of the henry for the next six months and pay for it in subscriptions. We'll take lye soap, clean rags, ginseng, pant patches, old bones, wood, green hides, hound pups, old clothes, lumber, cill ties, wagon tires, peanuts, stick candy, onions, cracker, turnip greens, sausage, town luts, cabbage leaf cigars, yearlings or milch cows, sorgum, pumpkins, spring mules, well seasoned shoats, sofa pillows, footstools, bachelor buttons, patent medicines, eight-day clocks, patent churns, home-made sox, choice scrap iron, old maids and chewing gum. You can bring them by the wagon load, armful, in tow sacks, by the yard, gallon or ton, in droves, swarms, or schools. Yes, we'll take them. We'll take anything to get you to subscribe.—Mocksville Record.

Rheumatism

I have found a tried and tested cure for Rheumatism. Not a remedy that will straighten the distorted limbs of chronic cripples, nor cure body growths back to flesh again. That is impossible, but I can now surely kill the pains and poisons of this dreadful disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a powerful, dependable prescription. Without this ingredient, I occasionally treated many cases of Rheumatism; but now, at last, I uniformly cure all curable cases of this heretofore much dreaded disease. These said—the granular wastes, found in Rheumatic blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no need of any actual exercise to suffer longer with pain and help. We sell, and in confidence recommend.
