GOVERNOR AYCOCK IS DEAD.

Died Suddenly of Heart Failure While Delivering Educational Address at

Birmingham, Ala.

People all over North Carolina were shocked at the knowledge of the death of former governor, Charles Brantley Aycock, which occurred Thursday night in a theatre at Birmingham, where he was addressing an audience of teachers.

Birmingham, Ala., April Former Governor Chas. B. Aycock, of North Carolina, dropped dead at the Jefferson Theatre tonight while addressing the Alabama Educational Association. Mr. Aycock was speaking on "Universal Education, its Necessity and Benefit." He was about one-fourth through his address when he suddenly staggered back a step and fell to the floor so suddenly that those on the stage were unable to reach him in time to support him.
