

COME TO THE RACKET.

Yes, here we are again, extending our usual invitation to all those who have been to see us to come again, and to all those who have not been here to

Be Sure to Come

We have not been asleep by any means, but have been at work in earnest, securing bargains for our customers.

A large manufacturer of pants, at the close of the season, had

A Large Lot of Pants

of different kinds, which he desired to close out to make room for his new stock. We were on hand with the ready money and took the lot, we are now selling pants worth \$1.50, \$1.75, \$2.00, \$2.50, and on up to \$3.20, at the

COMMON PRICE

of only \$1.25 per pair. Also a line of fine

CASSIMERE PANTS

worth from \$3.00 to \$7.00 for the low price of \$3.25 per pair.

Then a large tin dealer made a mistake and shipped

SEVERAL CASES OF TINWARE

to the wrong place. He could not afford to ship them back, we offered him a price and took the lot. This enables us to sell

HALF GALLON TIN CUPS

at 5 cents apiece which always bring 10 cents.

ONE GALLON COFFEE POTS

at 15 cents apiece, that always bring from 20 to 25 cents.

ALSO A LARGE LOT OF OTHER WARE AT CORRESPONDINGLY LOW PRICES.

But one of the biggest bargains you ever saw we have in tobacco, we bought all that a manufacturer had in certain lines and are now offering the

BIGGEST DRIVES IN 5 CTS TOBACCO

that you ever saw.

well, we must all keep clean, so we have made arrangements with a soap factory to keep us supplied with a large cake of laundry soap, weighing one and a quarter pounds, to sell at 5 cents a cake. Also a

CHOICE LINE OF TOILET SOAPS

at rock bottom prices. In hats and shoes and undershirts we have some

HUGE BARGAINS

and all we ask is an opportunity to show to parties wanting to buy.

We are fighting on the cash basis now, and we may be considered mercantile pirates, but let that be as it may, we are going to fight it out on that line, and if we sell goods

CHEAPER THAN ANYBODY ELSE

It is because we have naturally fallen into that habit, and cannot help it, we are thoroughly convinced that the true policy of business is to

BUY CHEAP, SELL CHEAP, AVOID CREDIT.

AND KEEP THE THING MOVING.

We also believe that when the people choose the great advantages in dealing for cash, they will help to get rid of the parasites which that hard master, Old Credit, has fastened on to many.

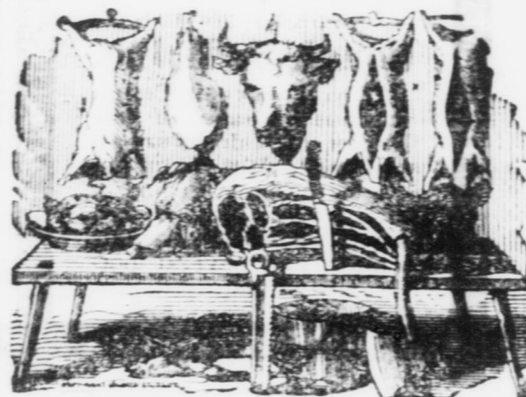

Very Respectfully,
F. B. Alexander,
Agent.
