

GRAND CLOSING SALE.

We are not conscious that we are under any social, religious and political ban, notwithstanding the incessant effort of our everyday enemy to circulate falsehoods with a view to doing us damage, for while all this has been going on our trade has been on the increase, and we are selling more goods than ever before during our

MERCHANTILE CAREER

in Hickory. Yet with a business that is constantly growing, and one of which we are justly proud, failing health forces us to a change, and we are compelled to announce that between this and the first day of

January

our entire stock of

- Dry Goods, Shoes, Hats.
- Notions, Glass Ware, Dishes.
- Plates, Tea Cups and Saucers,
- Spoons, Knives and Forks, Tin Ware, Shirts, Drawers, Ready-made Pants,
- Buckets, Tubs, Half-Bushel Measures, Brooms, Ribbons, Hamburg Edgings,

Laces, Gloves, Hosiery, &c., &c., must be sold. In order to effect this sale, we know what must be done, and have stuck the knife right in them at the start. Our stock of

FAMILY GROCERIES

will be kept up as usual, and sold as low as is consistent with the quality of

GOODS.

We desire further to announce that there are many

Old Notes & Accounts

in our hands yet, that accumulated during the days that we were foolishly indulging the

Credit Business.

Now, to the persons owing the same, we wish to say that we are going to pay our own debts, and unless those who

OWE US

come forward and settle early they will find their claims in the hands of a truthful and

Respectable Attorney,

who will push them for all they are worth.

Very Respectfully,

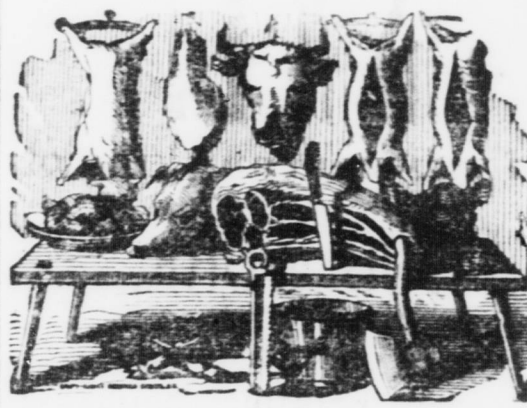

F. B. Alexander,
Agent.
