## DR. GRISSOM RESIGNS.

The Board Accepted the Resignation to Take Effect September 11th.

The Board of Directors of the Insane Asylum held a meeting yesterday (Thursday.) All the members were present. R. H. Smith, Esq., was elected chairman of the Board.

Dr. Grissom sent in the following letter:

N. C. INSANE ASYLUM,  
RALEIGH, N. C., Aug. 22, 1889.

To the Board of Directors

N. C. INSANE ASYLUM:

GENTLEMEN:—Under the circumstances I feel it my duty to tender my resignation of the office of Superintendent of the North Carolina Insane Asylum.

Owing to the inability and consequent absence from duty of the Assistant Physician, my immediate departure would leave the institution without any medical care, and being unwilling to prejudice, in the least degree, the interests of the Asylum, it is agreeable to me, if it is the wish of the Board, to remain until my successor is appointed and installed, to whom it will afford me great pleasure to give full information respecting every detail of management and in regard to every case in the Asylum, and to aid him in every way to enter upon the successful discharge of his duties.

(Signed) EUGENE GRISSOM

The Board accepted the resignation as tendered. He will remain in charge until Sept. 11th, when the Board will meet to elect a Superintendent and other officers.

## Last Thursday Night

The third weekly dance was given at the Hickory Inn. It rained in honor of such an occasion, but the dampness of the atmosphere threw no damper upon the pleasure of the night. The crowd was of a nice proportion and every one enjoyed the pleasures of extreme sociability.

About 11:30 the genial and accomplished host—Mr. Loughran—invited the dancers into a cosy, private dining room and sat them down to sandwiches, pickles, sweet-meats, etc. One gets hungry dancing till the wee small hours of the morning and Mr. Loughran won the hearts of the crowd with a very acceptable lunch.

The dance broke up about 1:30, with the "Old Virginia Reel."

## HICKORY CATAWBA INDUSTRIAL ASSOCIATION.

TO THE PEOPLE OF NORTH CAROLINA.

The Fifth Annual Fair of Hickory Catawba Industrial Association will be held at Hickory, N. C., September 24, 25, 26, 27, 1889.

In presenting this the Fifth Annual Premium List of this Association we are glad to state to the people the grand success we had at the Fair held on our new improved grounds last year, and thank the patrons for their liberal patronage in the past and hope they will continue to aid in building up this most worthy enterprise of agricultural interest, which has done so much good for our county and State. We especially call on all the farmers and Farmers' Alliances and Grangers to take an active part in this enterprise, as it is for the up building and advancement of all classes, especially the farmers, who can meet together annually and bring of their first fruits of their flock and farm products as an annual offering and rejoicing together of their gifts given to them. This Association will do everything in its power to do justice to all classes, that no one may go home from the Fair dissatisfied. We guarantee every dollar of premiums offered to be paid by the Association, if terms of the Association are complied with.

Great improvements are being made on our new Fair grounds, and our race track will be put in good condition that it can't be beaten in the State.

The annual address will be delivered by one of North Carolina's best speakers. The 4th Regiment M. O. Band, of Hickory, will be in attendance each day—the finest band in the State.

The managers have secured a museum of living curiosities—over 200 different animals, consisting of all kinds of birds, monkeys, etc., etc., and remember this is free to all who attend the Fair. Also, a three legged colt will be on exhibition. A Tug-of-War between five of Burke and five of Catawba's best men, against five of Caldwell and five of Alexander counties' best men. The two counties gaining will then have a contest, and the county gaining will have a prize of \$10. \$25 in cash will be given to any sub-Alliance in the county that will have the largest number present in the Fair, on Thursday at 3 p. m., \$10 in gold to the 2nd in number, at which time an address will be given by S. B. Alexander, President of Alliance, and others. There will be races each day, more and better stock will be shown than ever before in W. N. C. All that can be done to make everybody satisfied and happy will be done by this Association. This year we invite every man, woman and child to come and avail themselves of this grand exhibition. The price is only one-half of other Fairs. For 25c you can see this entire exhibit. Any person paying \$1 for season ticket will be entitled to make all entries free, except in speed classes. The museum will be worth double the money, and will be free inside. Let everybody come and be happy.

We have made arrangements with the officers of the Hickory Fair whereby we are enabled to give our subscribers FREE TICKETS to the greatest fair ever held in this section. See our ad. clip out the blank call or send it to us and have it signed and you can see the Fair FREE.

## We Need A Government.

SHULL'S MILL'S, Watauga Co.  
Aug. 19th, 1889.

DEAR SIR:—

What is the matter with the PRESS AND CAROLINIAN? Or rather what is the matter with the mail between Hickory and Shull's Mills? My other papers reach me in a sort of irregular way, coming sometimes when they make their best speed, almost as soon as they reach Washington Territory, or Southern California, or Florida, but I have not had a PRESS AND CAROLINIAN since the flood that isolated Lenoir. Now I dislike such treatment of the paper which brings me so much good news of Hickory and its boom, and I think you entitled to rap the knuckles of the mail with a heavy protest against it.

W. W. L.

The above is one of the many letters we are receiving. It is not our fault but is the fault of mail agents, mail carriers and postmasters appointed under Mr. Harrison's wise directions. How long? Oh! how long?

## In Business for 25 Years.

Sorry are we to chronicle the fact that a firm as old and reliable as the firm of A. A. Shuford & Co. are going out of business. It is not because the business has not been attended with success—but that one branch of the firm prefer another business. The business has always been successful. Since its organization in 1865 the partners have changed often. Fortune has ever dogged the footsteps of A. A. Shuford who has been the mainstay in the firm which first existed as A. L. Shuford & Co. Later when A. L. Shuford withdrew a partnership was formed by W. H. Ellis & A. A. Shuford. Then it became Shuford & Graham, and remained so until C. E. Graham, now of Asheville, withdrew and the present firm of A. A. Shuford & Co. was organized. Thus it has been for years and we hope it may be revived and live many years longer.

## Beat His Wife.

Mr. Hiram F. Hover, the labor agitator, who has caused much trouble in the South for some years, returned to Hickory last Friday night. His wife has been divorced from him and refused to admit him to her house, whereupon Mr. Hover forced an entrance and whipped her. He was promptly brought before Mayor Hall to answer for his conduct, and was fined \$10 or thirty days in the "boose." Not being satisfied, Mr. Hover informed his lordship, the Mayor, that he had inflicted the punishment for spite and the Mayor then sent him to jail for sixty days for contempt.

## Marriage Bells.

SETZER-SHERRILL.—At the residence of Mr. A. Y. Sigmon, last Thursday night, Miss Laura Sherrill, of Hickory, to Mr. James Setzer, of Catawba, N. C. The ceremony was performed by Rev. Bonner. The marriage ceremony was a very interesting one as both parties are deaf and dumb. Mr. Alex. Tillinghast, of Raleigh, acted as interpreter.

WHITENER-NAUGLE.—At the residence of Mr. Raby, last Sunday morning, Miss Naugle to Mr. Alfred Whitener, both of this city. Rev. Bonner officiating.

## Claremont College.

The Fall Term will open Thursday, Sept. 12th, 1889 at 9 o'clock a. m.
