BEN TILLMAN AND BROTHER GEORGE BITTERLY ATTACK ONE ANOTHER.

REGULATION SOUTH CAROLINA ROW  
But the Senator Won the Fight—George, on Saturday Last, had had a New County Named Butler, but Ben had it changed again to Saluda and taunted Irby for his silence Saturday—An All-Round Cat-and-Dog Time of Unwonted Excitement.

WASHINGTON, D. C., Sept. 16.—The proceedings of the Constitutional Convention to-day were characterized by a most exciting tilt between Senator Tillman and his brother George D. Tillman on the question of naming a new county. George D. Tillman on Saturday had succeeded in getting the county named Butler. Senator Tillman was absent at the time and returning to day, he moved to change the name to Saluda. In a passionate speech he charged Senator Butler with being a traitor to the party and said that to name a county after him was an insult to the reformers of the State. George D. Tillman in reply taunted his brother with fighting a man whom he had defeated and dramatically striking his breast, exclaimed: "Thank God there is no sentiment in my heart that would make me stoop so low."

## WHY GOLD GOES OUT

COMPTROLLER ECKELS SENDS HIS FELLOW-CITIZENS SOME REASONS FROM ABROAD.

LONDON, Sept. 16.—The Hon. James H. Eckels, Comptroller of the United States Treasury, made the following statement to day on the request of a representative of the Associated Press:—

WASHINGTON, D. C., Sept. 16.—The true amount of the gold reserve at the close of business to-day was \$93,348,642. Since the recent heavy shipments of gold set in, the government has received a number of offers of gold in exchange for notes. This is practically true of banks in the north west where small notes are in active demand in moving the grain crop. Other banks, apparently disinterested, have offered gold in exchange for silver certificates. Several of the banks offered gold suspected of being a little under weight, as it was stipulated that it be received at its face value. Some other conditions imposed by Western banks could not be accepted, but in all cases where the government consistently could do so, the offers have been accepted.

## NO BOND ISSUE NOW EXPECTED.

WASHINGTON, D. C., Sept. 17.—Reports to the Treasury Department show that \$250,000 in gold were withdrawn to-day from the sub-treasury at New York for export, and that \$250,000 in gold were deposited by a Rochester, N. Y., bank, which offsets the withdrawals, leaving the true amount of the reserve at the close of business \$95,382,528.

## ON CHICKAMAUGA FIELD.

CHATTANOOGA, Tenn., Sept. 17.—People are pouring into this region to-night almost as thick and fast as they did thirty three years ago. But they are not all men this time, and they are not armed, though some of the old veterans, both of the North and of the South are attired in their old army regimentals. Many of these old fellows have their wives and children with them and they have been looking over the battlefield where they fought so fiercely thirty-three years ago. No one will ever know the number of people that have come here from all parts of the North and South. Gen. Boynton said to-day that the visitors were strung along from Sherman Heights to the far end of the Chickamauga. All the hotels, inns, taverns and boarding houses are full and thousands are camping where they camped on the night of the 17th of September, 1863. The passenger agent of the railway leading to Chickamauga battlefield to-day said that his road had hauled not less than 5,000 people there to-day. This was not nearly all who went out. Many went out on the electric car lines and then took carriages.

## ALL THINGS GO IN TEXAS

THE CORBETT-FITZSIMMONS MILL WILL BE PULLED OFF IN DALLAS.

DALLAS, Tex., Sept. 17.—After two days consumed in argument on the habeas corpus hearing of Jesse Clark, charged with prize fighting, Chief Justice J. H. Hurt, of the Court of Criminal Appeals, decided this afternoon that the Criminal Code was wholly inoperative. The Court said:—

NEW YORK, Sept. 17.—William A. Brady, Corbett's manager, said tonight when he heard that Judge Hurt's opinion was in favor of the fight coming off at Dallas, Tex., and that no legal obstacle existed which prevented Corbett and Fitzsimmons meeting in Texas, that he was now satisfied that everything would be smooth. Corbett, manager Brady said, would leave for San Antonio, where he will train, on October 2. The champion will be accompanied by "Billy" Delaney, McVey, Joe Corbett, the champion's brother, and Brad. Corbett's last public appearance in this city before the Texas meeting will be at Madison Square Garden on September 30. Fitzsimmons has announced that he will leave for the South Friday next.
