For our part, we had a great day and a good dinner, being the guest of our excellent neighbor, Mr. R. J. Hennessee, at his home in the woods near Taunton, Mass. While stopping over to pick up a rabbit which he had shot his gun was discharged, and he was shot in his head.

Lazarus Brothers.

It Is the Price That Appeals to You.

It is a candid, honest, earnest statement of facts—facts based on fifteen years of the most successful culling of the tailoring world. I know clothing when I see it, and know just how much money the manufacturer ought to spend in the get-up of a eight-dollar suit, or any other suit, and if the maker has not spent that amount in the get-up of the suit offered to me, his suits never find their way to my table.

I will ask you to see my line of

Hats, Caps and Underwear

when you are in the city. My object is to SAVE YOU MONEY. Yours,

B. F. DAVIS.

AT TULL'S PHARMACY.

Children Like Our TOOTH BRUSHES and IVORYSHINE

EVERYBODY knows that there's trouble about children using tooth brushes. They don't realize the importance of caring for the teeth; they forget to use the brush unless they are reminded, and that reminding is a burden and a bother.

We have a tooth wash called IVORYSHINE, delicious to the taste, cleansing and purifying to the gums and teeth. This preparation, used with one of our Soft Bristle CHILD'S BRUSHES, will insure children themselves and preserve their teeth.
