PALPITATION OF THE HEART.  
Shortness of Breath, Swelling of Legs and Feet.

"For about four years I was troubled with palpitation of the heart, shortness of breath and swelling of the legs and feet. At times I would faint. I was treated by the best physicians in Savannah, Ga., with no relief. I then tried various Springs, without benefit. Finally I tried

Dr. Miles' Heart Cure  
also his Nerve and Liver Pills.

After beginning to take them I felt better. I continued taking them and I am now in better health than I have been for years. Since my recovery I have gained fifty pounds in weight. I hope this statement may be of value to some poor sufferer.

## HISTORY OF A WEEK.

The Doings of Our Neighbors—Some Exciting, All Interesting.

### DIED UNDER THE CAR WHEELS.

Forest Fire in Caldwell—Snow at Blowing Rock—Don't Want to be Dissected—A Bad Man in Danger of Being Lynched—Saw Mill Burnt—A North State Boy Wins a Medal at Annapolis—Cramped by the Train—Attempt to Wreck a Train—The Child Died—House Burned at Noho.

Caldwell, Lenoir Topics, April 24th.

Capt. E. A. Newland, General Passenger Agent of the Seaboard Air Line, and whose headquarters is in Atlanta, came to Lenoir Friday on a visit to his mother, Mrs. L. M. Newland. He returned Monday. On Monday night of last week fire went out into the timber lands of Messrs. H. H. Cloyd and J. L. Nelson, about two miles north of Lenoir and a large amount of valuable timber was destroyed or badly damaged. Sheriff Boyd and deputy Sheriff Estes went down to Raleigh last week, taking with them Josh and George Loving, convicted at the last court of larceny, and J. A. White, who goes to serve out a sentence for the killing of Mark Phillips, colored. Next Saturday, April 27th, those persons interested in Marvin camp ground are requested to meet Rev. L. M. Brower at Gamewell at 2 o'clock. It will be decided at this meeting whether or not a camp meeting will be held at Marvin in the fall. Let all interested be sure to attend. Mr. W. D. Clarke, of Blowing Rock, was in Lenoir Thursday and Friday and told us that there was a heavy fall of snow at Blowing Rock on Wednesday. It fell thick and fast, and melted nearly as rapidly as it fell, but the ground was covered. Thursday morning the mountains seen from Lenoir were robed in a mantle of white. The public will be delighted to know that the stup of Hibriten has been put in good shape and is now ready for the summer tourists. We learn that an observatory will in all probability be erected on the summit in a short time. The improvements are largely due to the efforts of Messrs. G. L. Bernhardt and J. H. Beal, who raised a fund for the purpose.

watchman, came on the scene. They ran and were followed by two shots from the watchman's pistol. Mr. William Millen died suddenly Monday morning at his home near Pleasant Ridge. He is the father of Mr. W. E. Millen of Gastonia. He ate breakfast that morning apparently well. He stirred around a short while, then went back to bed and died in a few minutes. He was an aged man. At the United States Naval Academy last week, a gold medal for best marksmanship was awarded to R. Z. Johnson, Jr., of Lincolnton. The young man is a son of Rev. R. Z. Johnson. The Charlotte Observer says the class will graduate June 21st, which happens to be young Johnson's 21st birthday. Another accident was added to King's Mountain's list last Wednesday night. David Lester was trying to board a freight train No. 42, when he fell on the bumper. His leg was crushed below the knee. The railway company had the limb dressed in plaster of paris casing, and sent the man to Rock Hill. It is thought he was trying to "beat" his way on the train. A new two-story brick store will soon adorn the corner where Messrs. Morris Bros now do business. They will commence work about the middle of June. The building will be 27 feet wide and 95 feet deep. An L will run out from the rear and form their grocery department which will open on the side street. The small wooden room will be torn away, then the big room occupied will be rolled on to the site of the small one and leave the corner free for the new brick building.

we will be the most prosperous people on earth. The South is destined to become the mining, manufacturing and agricultural center of this country, if not of the world; and there are evidences that North Carolina will be the center of these three centers.

### THE DEATH OF FUSION.

Capt. John H. Eaves sounds the Knell and Holds an Autopsy—Passage of the Election Law Marks the End of Fusion. Rutherfordton Democrat.

The following is a copy of a letter written by Capt. John H. Eaves, ex-chairman of the Republican State executive committee, to Col. H. O. Cowles, of Statesville, a member of the national Republican committee:—  
Dear Sir:—Your letter of a few days ago in which you ask my views in regard to several phases of the political situation received. The county government law enacted by the recent Legislature bears no similarity to that expected at the hands of the fusionists. The same fear and distrust of the negroes is evinced that has always been shown by the Democrats. But the fusionists carry the notion of the law further even than the Democrats before them. The election of three commissioners is all right, but becomes a travesty upon local self-government when it is made so easy for the opposite political party to cause the appointment of two additional commissioners whose power when appointed will equal that of the three elected by the people. This single-plurality of the new law has stripped it of every vestige of kinship to that vouchsafed by the Republican State platform, in lieu of which it is a mean and cowardly excuse. The passage of this law marks the end of fusion or co-operation between the Republican and Third parties in North Carolina. Since fusion's invasion the Republicans have made concessions in principle and patronage, while in both the Populists have been the dictators. In the State this was true to a marked degree. Now it appears to be encroaching upon the vital principles of national Republicanism as evidenced by the fact that some Republicans are not scrupling to lay aside the principles upon which the national Republican party has long been established and according to which it has conducted this government through its greatest prosperity, and to place in their stead the visionary and extravagant plank of the Populist platform. I refer to those Republicans who are advocating the idea of free silver. The Republican party will continue to advocate the financial faith of the soundest kind, and those who wish to be of the party must do likewise. This government can no more coin silver free while every other government of the first class refuses and maintains a gold standard than it can commit any other absurd impossibility. Under the present condition of things the United States will not continue to advocate the financial faith of the soundest kind, and those who wish to be of the party must do likewise. This government can no more coin silver free while every other government of the first class refuses and maintains a gold standard than it can commit any other absurd impossibility.
