WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the despest interest and importance to their healthperhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, i other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regula-tor, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilions Fever, Constipa-tion, Headache, Dyspepsia, and all disorders arising from a Diseased Liver. We ask you to look for yourselves, and

see that Simmons Liver Regulator, which you can readily distinguish by the Red 2 on wrapper, and by our name, is the only medicine called Simmons Liver Regulator. J. H. ZEILIN & CO.

Crowd was so large in the city hall but then "Corn Oracker" did and of course what the Polkville crowd say is so. Prior Justice, who resides near Belwood, presented the Star with a fine specimen of a gourd raised on his place. The handle to the gourd is about four feet long and perfectly straight. The gourd is nicely shaped and just the size to make a dipper.
