Money can be made rapidly. and a vast amount of good done in circulating one of the noblest historical works pub-lished during the past quarter of a century.

Active Agents Are Now Reaping a Rich Harvest

Some of our best workers are selling OVER ONE HUNDRED BOOKS A WEEK

Mr. A. G. Williams, Jackson county, Mo., worked four days and a half and secured 51 orders. He sells the book to almost every man he meets. Dr. J. J. Mason, Muscogee county, Ga., sold 120 copies the first five days he canvassed. H. C. Sheets, Palo Pinto county, Tex., worked a few hours and sold 16 copies, mostly morocco binding. J H. Hanna, Gaston county, N. C., made month's wages in three days canvassing for this book. S. M White, Callahan county, Tex., is selling books at the rate of 144 copies a week.

The Work Contains Biographical Sketches

and give up the fight and take my chances with the wrath to come. and got the whip, then tied a bun-Well, Bally-if that want his dle of fodder to his tail and stuck name I can't see why-took up a fire to it and turned him out notion about that time that he was towards the sunset bills. goin somewheres, and he didn't But the naked sight of Uncle have no time to spare. of all the Leading Generals, a vast amount of Historical Matter, and a large number of Beautiful Full-Page Illustrations. It is a grand book, and ladies and gentlemen who

big crowd of men had caught Bully ness, the actual creators of wealth, assertion of the purposes enter tained than is even the proposiwhether by hand, brain or capital, tion of Mr. Gage. These distinctly to those who, avoiding the risk and effort of active business, only propose that silver dollars shall not hereafter be coined; that draw interest.

The increase of 145 per cent in standard silver dollars shall be the value of money caused by its redeemed in gold ; that the silver ballion on hand at present shall increasing searcity, from 1809 to 1849, as admitted by the leading be sold, and suggest that silver K. Jones, chairman of the national advocates of the gold standard, found expression at that time in that the notes of the banks "canextremely low prices and conditions not fail to be safe because, being of unparalleled distress. The disbased upon all the resources of all covery of gold and silver in extrathe bauks issuing them, they are ordinary quantities, and the great based upon the whole business of increase in the volume of metallic the country." Certainly no bank money resulting therefrom, re will become liable for the notes lieved this distress and brought in issued by another bank over which its stead wonderful prosperity. it has no control or supervision; Prices rose, business flourished, producers prospered, all were hence this scheme must contemplate the establishment of some happy. Substantially this condicentral bank authority having the would have continued if both the absolute control of the issue of all precious metals had been allowed paper money, a great bank trust, to remain in use as money, because pool, or syndicate, with powers they were being found in nearly such as no man has ever before sufficient quantities to increase the had the audacity to suggest. This volume of money in proportion to committee has called upon comthe developments of business wicked conspiracy, however, deprived one of them of the money report. Thus the people are put upon full notice of what is intended, function. This was done with the deliberate purpose of raising the value of the other by rendering the supply of metallic money relatively ment. scarcer as compared with the de maud. From the hour of the con will be removed from Raleigh to summation of this crime, mankind since:

Charlotte. Mr. D. F. Summey is has suffered commercial disaster president of the new organization. and social distress in almost constantly increasing measures. Just in proportion to the growth of arts and civilization and the expansion of commerce, business and indus-

try, the inadequacy of the volume of gold is felt, its scarcity is emphasized, its value increased.

The repression of life and happiness which is inseparable from a long course of declining prices has now checked development, and if continued will altimately stifle civ ilization. An eminent American, President Andrews, of Brown Uni versity, some years ago said: "Our national debt on September 1, 1863, was two and three quarter hillions; it could then have been paid off with 18,000,000 bales of cotton or 25,000,000 tons of bar iron. When it the United States into a powerful had been reduced to a billion and a quarter, 30,000,000 bales of cotton or 32,000,000 tons of iron would have been required to pay it. In

dreams of avarice. Apparently

their intention is first to convert

lands;

paign committee, held at the rooms of said committee on February 14, 1898, the following resolution was unanimously adopted:

"Resolved, That this committee cordially indorse and approve the foregoing address of Hon. James dollars may also be melted down committee of the Democratic and sold as bullion. We are assured party,"

STEPHEN M. WHITE, Chairman Democratic Cougres sional Campaign Committee.

PUBLIC OPINION.

at of the Press on the Destruction of the Battleship Maine.

If the Maine and 250 of her men have been lost through Spanish treachery, let Spain take the consequences. The temporizing period will be closed.- Cincinnati Enquirer.

If it should be settled with reasonable certainty that the Maine I will take pleasure in calling on was the victim of a Spanish plot you in person and assist you in was the victim of a Spanish plot the harbor of Havana should be taken possession of by relays of the Short Line to all points West. mercial bodies all over the country | American battleships. - Chicago to assemble and endorse their Inter Ocean.

Any proof leading to the conclusion that the prepetrators were and of the means of its accomplish-Spaniards or hostile Cubans would not only be a stain upon the very Considering all this, is it any name of humanity, but might, in wonder that the Spectator, one of all probability, make war inevitathe great English newspapers, ble.-Baltimore Herald. should say, as it did some months

The killed and wounded among the officers and seamen of the "Being audacious beyond any Maine outnumber the record of the Old World experience, the great dead and wounded in any sea capitalists of America are deterfight in which the United States mined to capture free opinion and navy has been engaged in all its to prevent criticism. They subsihistory .- Philadelphia Ledger. dize pulpits, they buy the press,

If it was an accident which they seat their well-paid attordestroyed the Maine, then let us neys in the United States Senate, provide so far as human foresight and at length they stretch their can against a recurrence. If it was hauds over the colleges, which it is treachery, then the righteons easy to capture by examples of wrath of the American people will generosity. Thus their design is take a signal vengeance for the to prevent, any effective action treachery which sent that ship to which shall in any way weaken the bottom, and let no one think their authority or undermine their to stay it .- Senator Lodge in United position. Their object cannot be mere wealth making, for they States Senate.

already enjoy wealth beyond the If the explosion was the act of treachery and malice, it must have been done either by some Cuban madman, boping thus to embroil oligarchy, and then to extend the the United States and Spain to the sway of that oligarchy over other advantage of the insurgent cause,

or of some equally mad Spaniard,
