German Diets Cause Change In Prison Fare

Gradual Change Noted In Food Issued To Men Here,

Atlantac Ga., Mar.-Fresh meats. acon and fresh fish have been nenus compiled to give them the value of the garrison ration issued to American soldiers and lat the save critical items, Headquarters, Fourth Service Command announced here today.

The menus issued monthly starting April 1 have been sent to all manding officers of prisoner of war camps in the seven southeastern states. A study of the eating habits of the

German captives has brought about the change in the menus, developing the fact that the Germans will not eat certain foods relished by Americans and want to prepare their meals according to the customs of their homelands, according to Major Martin J. Harding, food service director of this command. The Germans' meals are prepared by their own cooks under the sup-
