THE NEW BIG BOSS

Senator A. B. "Happy" Chandler has been appointed the big boss of organized baseball at a salary of \$50,000 a year and his first term runs for seven years. Believing that the readers of this column would want to know something of the man who is to take the late Judge Landis' place we are giving a few facts as clipped from another paper.

Chandler has been interested in baseball ever since he was old enough to play on the corner lot.

His boyhood idol was Ty Cobb, and he was so ambitious to become a big leaguer that his playmates at Corydon, Ky., called him "Ty Cobb."

But his friends in high school and college gave him the nickname "Happy," which has stuck with him through the years.

In high school, he started out as a catcher, but switched to pitching and the outfield at Transylvania College, Lexington, Ky.

One year Chandler had the modest batting average of .467 and pitched his little school to a 10-4 victory over Tennessee University.

He also played semipro and organized baseball. He was with Grafton, N. D., in the Red River Valley League in 1920, winning 12 of 13 games. In 1922, he joined organized ball with Lexington in the Blue Grass League.

"Onething I left in the record book was a home run with the bases loaded against Maysville," he recalled.

Chandler was a star basketball and football player and later a coach.

He made the all-Kentucky basketball team at Transylvania and was the star quarterback in football, playing against Centre College's "Praying Colonels" when Bo McMillan was beating Harvard and such teams.

Chandler later scouted and coached for Centre. He previously coached two undefeated basketball teams at Versailles, Ky., High School and Massie, a private school, as well as the girls teams at the University of Kentucky.

Chandler turned from athletics to politics in 1929 when he was elected to the State Senate. In 1931, he became lieutenant governor, and Governor in 1935. He came to the United States Senate by appointment in 1939 to fill a vacancy caused by the death of Sen. Mills Logan.

He was elected to a six-year term in 1942.

He was born in Corydon and will be 47 years old in July.

Besides the Corydon High School and Transylvania College, he also attended Harvard and the University of Kentucky law schools. He has A. B. and LL. B. degrees.

He is a veteran of the first World War; practiced law in Versailles, Ky., for about six years, was master commissioner of the Circuit Court, 1930-35, is a Mason and Shriner, and attends the Episcopal Church.

SOFTBALL SCHEDULE CALLS FOR 19 DOUBLEHEADERS FIRST HALF

By Huck Sausbury
All plans for the opening of the Person County Softball League on Monday, May 7th, at 7:45 P. M. are reaching a climax and the league will present some of the finest softball play ever witnessed in this section. Although the schedule arranged took some time to complete, due to their being five boys teams and only four girls teams, it has been completed and will be a little different from previous years.

On the last playing night in the first half, fans will see a doubleheader between two boy's teams instead of the usual custom of a split boys and girls game. The schedule calls for 19 playing nights in the first half with games on Monday, Tuesday and Thursday. All rained out games will be played on Wednesday nights, but a definite playing time other than Wednesday can be decided by the league president, Dick Woody, and managers of the two teams.

A big opening night has been arranged by the league with Mayor S. G. Winstead pitching out the first ball. The peppy high school band will be on the spot with plenty of fine music that will give the night a touch of a major league opener. Many of the teams will be flashing new and colorful uniforms this year. Besides Red Rock with the solid red playing suits, Knights girls will wear complete blue uniforms and the boys team colors will clash with Red Rock in one respect, red, but have a quantity of white to break the similarity. A large crowd is expected on opening night. The playing schedule for the first half that ends on Monday night, June 18, follows:

- May 7th. Cavel girls vs. East Roxboro girls; Longhurst boys vs. Knights boys.
