Off again, on again, apparently is to be the Labor Days closing policy here next Monday, on the basis of reports received this morning in the Courier-Times office. One industrial plant, that of Collins and Aikman, expects to close unless some unusual development takes place, while probably not to close, are Roxboro Cotton Mills and Somerset mills.

No general closing of stores is expected, according to W. Wallace Woods, secretary of the Chamber of Commerce, who said this morning that several merchants have called him, but that no concerted action has been taken.
