Unique Calendars Help to Promote "Good Neighbor" Policy

MINNEAPOLIS, MINN.—Calendars now are doing their part in promoting the "Good Neighbor" policy with South America. The calendars contain original Gaucho paintings by F. Molina Campos, Argentine humorist, and because of their success in 1944 and 1945 for the third year now are being planned again by the Minneapolis-Moline Power Implement company in 1946. Campos is shown at left above with Walt Disney whom he assisted in making a movie, "Saludos Amigos." The picture, above, is "The Lasso," one illustration that appears in this year's calendars. The calendars are so popular that they are considered collectors' items by many.

Thirteen Books On This Year's Mayflower List

Number Entered Thus Far in 1945 Mayflower Society Cup Competition Falls Short.

Raleigh.—Thirteen works are on the preliminary list of volumes entered in the 1945 Mayflower Society Cup Competition, it was announced by Dr. Christopher Crittenden, secretary of the State Literary and Historical Association.

Crittenden pointed out that the 1944 final list was composed of 28 volumes, and the 1943 list of 31. The all-time high, Crittenden said, was reached in 1941, when 48 volumes were entered in the competition. He attributes the decline this year in the preliminary list—and the anticipated lower final total—to war conditions.

The Mayflower Society Cup is awarded annually by the Society of Mayflower Descendants in North Carolina—through the State Literary and Historical Association—for the best original work by a resident Tar Heel published during the 12 months ending on August 31. The winner last year was Dr. Adelaide L. Fries of Winston-Salem.

The 1945 award will be announced at the annual meeting of the State Literary and Historical Association in Raleigh on Friday evening, December 14.

Entries in the competition may be sent to Dr. Crittenden at the State Education Building in Raleigh. This year's board of award is composed of Aubrey L. Brooks of Greensboro, president of the association; Clyde Smith and Mrs. Charlotte Hilton Green, both of Raleigh; and Dr. Frontis T. Johnston and Dr. Henry T. Lilly, both of Davidson College.

Volumes on this year's preliminary list: "Legal Clinic Instructios at Duke University," by John S. Broadway; "Philadelphia, Holy Experiment," by Struthers Burt; "Years of Light," by Gertrude S. Carraway; "The Heart of the Prayer Book," by William Edward Cox; "The Wilson Era," by Josephus Daniels; "Lusty Wind for Carolina," by Inglish Fletcher; "Carolina Chats," by Carl Goerch; "Conserving Marriage and the Family," by Ernest R. Groves; "Sage Quarter," by Bernice Kelly

EATS ANYTHING ON TABLE NOW; THANKS RETONGA

Everything Seemed To Disagree With Him And A Days Work Wore Him Out. Says Mr. Baldwin. Can Work All Day Now.

"Retonga proved so fine for me that I am glad to tell anyone it is the best medicine I ever tried," gratefully declares Mr. G. M. Baldwin, well known contractor, R. F. D. 8, Box 587, Atlanta, Ga. Mr. Baldwin was born and reared near Cedartown. Discussing his case Mr. Baldwin happily continued:

"For about three years it seemed to me that I suffered distress from sour indigestion and heartburn after every meal. I tried not to eat things I thought would cause me trouble, but I continued to suffer just the same. My nerves were on edge, my sleep did not seem to rest me, and I got up mornings feeling as tired as if I had already done a days work. I suffered so badly from sluggish elimination that I felt like I was choked up with toxic poisons. "Retonga relieved every bit of

Sam Harold To Talk To Masons

Person Lodge No. 113 will hold its regular meeting next Tuesday night, November 13, at the Lodge hall at seven-thirty o'clock, at which time the inter-apprentice degree will be conferred upon a number of candidates.

Sam Harold, of Durham, will deliver the lecture, using pictures, slides, which is expected to make the exercises most impressive. All Masons are urged to attend, according to J. W. Greene, worshipful master, and C. C. Garrett, secretary.

In Memoriam

ELDRIDGE DUNCAN

IN MEMORIAM

Pfc. Eldredge B. Duncan, born Oct. 9, 1925, died June 13, 1945. Eldridge was the son of Mr. and Mrs. B. R. Duncan of Roxboro. The telegram stating that he was dead on June 25, 1945.

Eldridge attended school at Mt. Tizah High School. He finished there in 1943. Everyone there respected and loved him—knowing he was one of our best.

He entered service September 21, 1944. Took his basic training at Camp Joseph T. Robinson, Arkansas. He came home in February following the Sept. he left, on a 15 day furlough. Stayed home only 7 days, then returned to Arkansas from there straight overseas. We don't know all the places he went to while overseas.

He was drowned on Luzon Island. From what we know of letters that has been received he was boat riding, the boat turned over and a water current pulled him under. They were unable to save him.

Every one near Eldridge's home, a good many friends knew him very well. They all knew him to be as good as could be found. He had lots of friends who were grieved to hear of his death. If he had even one enemy, I couldn't recall who it would be. I can say he was the best boy in every way I've ever known. I believe there are a great number of others who could say the same for him.

We will all miss him so very much. If only we had more boys like him, who understood so well and always thought of others as himself. He was always doing good deeds for everyone.

Although Eldridge didn't belong to a church I feel like he was a better

save for three acres on the North end of the same and adjoining the Roxboro-Semora Highway which was conveyed to C. S. Laws by deed of Joe T. Hamlin dated March 5, 1941 and recorded in Book 50, page 447. Said tract of land is bounded on the North by Ruffin White and C. S. Laws, on the East by Lot No. 3, on the South by Highway No. 158 and on the West by Lot No. 1. See record of the division of the J. R. Hamlin lands recorded in Book 36, page 151, Person County Registry. This being a judicial sale, the same will remain open ten days for an upset bid of 5 per cent and high bidder at the sale will be required to deposit 10 per cent of bid price as evidence of good faith. This October 8, 1945. I. T. STANFIELD, Administrator. R. P. Burns, Attorney. Nov. 8.

christian than some of us who do. He loved God and wanted to do right in everything. He would hesitate lots of times before doing things to think whether it was right or wrong, more of us should do that then, we'd probably leave off some things we do.

This is what he said in a letter I received from him before going overseas.

"I feel so near to God. He is the only one to look to for protection and to give us eternal life. He can always help us when we're in trouble. I know God will take care of all His children and that's what we are. That's my prayers that I may be one of God's children and that I may be saved so I can have eternal life."

"We are all very sure that his prayers were answered."

I feel that when we lost Eldridge that we lost the best boy anywhere around. I know others felt the same way as I do. We can all be sure that he is resting with the angels and I hope that we can meet him up there some day.

Medical Doctor Loves His Cat

Chicago—A physician today offered a reward of \$50 and one year's medical service or surgery to the person who finds his pet Angora cat, Blinky, which he charges, has been "catnapped."

Dr. Ralph J. Brouillet posted signs to that effect on the fence surrounding his Westside home. Five years ago the physician rescued Blinky from a group of children who were teasing it.

"What if the finder required \$1,000 surgical operation?" Dr. Brouillet was asked.

"I'd perform it," he replied. Blinky is worth more than \$1,000 to me.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. LADY NEARLY CHOKED WHILE LYING IN BED—DUE TO STOMACH GAS

One lady said a few days ago that she used to be afraid to go to bed at night. She was swollen with stomach gas, which always got worse when she went to bed, and the gas would rise up in her throat after she lay down and would nearly choke her. She couldn't lie flat. Had to prop herself up on pillows. Recently this lady got INNER-AID and now says gas is gone, stomach feels fine, bowels are regular and she can go to bed and sleep soundly. INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Person County.—Adv.

Jap Police Get Severe Shake-Up

Tokyo—Japan gave its once domineering police system another rough shakeup today by firing more than 5,000 enforcement and surveillance personnel, and announcing it would appoint civilian advisory boards in major Tokyo police districts with unprecedented power to criticize public actions of officers. Some time ago the nation's infamous tough police and military drill.

police organizers and heads imprisoned for questioning.

Also at the command of General MacArthur, the Japanese government released 507 political prisoners and discontinued "protection and surveillance" over 2,026 other individuals.

Elsewhere on the occupation front:—

The Ministry of Education abolished from schools Samurai-flavored courses in glider training, judo, Jujitsu, fencing and military drill.
