HASN'T FELT BETTER IN YEARS; THANKS RETONGA

He Would Hate To Think Of Anyone Suffering More Distress From Acid Indigestion, Says Mr. Johnson. Pains And Aches In Muscles Also Promptly Relieved.

MR. D. D. JOHNSON

"Retonga has been worth so much to me that I would not be without it," declares Mr. D. D. Johnson, well-known resident of 24 Blossfield Street, Macon, Ga., and plant carpenter at one of Macon's big textile mills. Discussing Retonga he happily continued:

"I would hate to think of anyone suffering more distress from acid indigestion. Gas in my stomach bloated me up sometimes until I felt like my breath would stop. For months I didn't know what a restful night's sleep was, I felt full of toxic poisons from constipation and at times I ached so from head to foot that I felt like every joint in my body would pop open. The pains in my legs and ankles often were so severe I could hardly stand up."

"The relief Retonga gave me surpasses anything in my experience. I eat three good meals a day, sleep as sound as a log and I even feel good after a hard day's work. The

constipation and pains and aches are fully relieved and I don't think I have felt better in ten years. Retonga is a grand medicine."

Retonga is a purely herbal stomachic medicine combined with liberal quantities of Vitamin B-1 and is intended to relieve distress due to insufficient flow of gastric juices in the stomach, loss of appetite, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at Roxboro Drug Co.—Adv.
