By Mrs. W. D. Amis

With the low temperature of the past week, it seems that winter is lingering in the lap of spring. The good showers were much needed.

The pastor, the Rev. H. C. Gregory, delivered an able sermon to his congregation on Sunday morning at the Methodist church. He announced that at his next meeting here that plans were being formulated to have representatives from all the local churches to discuss plans for Community Missions.

Evening services were held on Sunday night at the Christian church.

Dr. C. E. Newman, the pastor, presented a message on Vanity which was preceded by interesting comments on the book of Ecclesiastes. Text used was "Fear God and Keep His Commandments", which was the final conclusion of Solomon with all his wealth and honors.

Announcement was made of the Sunday School Rally of the Virginia and North Carolina Christian churches to be held here on June 13.

Let's Keep JOHN H. FOLGER IN CONGRESS

Why a Representative in Congress Should Be Re-elected

A man has to learn to be a Representative, just as he must learn to be a blacksmith, a carpenter, a farmer, an engineer, a lawyer or a doctor. * * *

It is an unwise performance for any district to change Representatives at short intervals. A new Congressman must begin at the foot of the class. * * *

No man should be elected to the House simply to gratify his ambition. All Members should be elected for the good of the country. * * *

The best rule * * * is for a district to select a man with at least fair capacity, industrious, honest, energetic, sober, and courageous, and keep him there so long as he discharges his duties faithfully and well. Such a man will gradually rise to high position and influence in the House. His wide acquaintance with Members helps amazingly in doing things. * * *
