## West And Young Receive Degrees

Two men from Roxboro were among the 26 North Carolinians receiving degrees in Louisville, Ky., last week at the annual spring commencement exercises of the Southern Baptist Theological Seminary. They were: Richard Knox Young, B. D. and William F. West, Jr., Th. M.

Mr. Young is a native of Person county, and attended school here. His people are residents of the Providence community. Mr. West came here at the age of three, when his father became pastor of Roxboro First Baptist church. He is a graduate of Roxboro high school.

Both these young ministers have preached in the County several times, and have already earned names for themselves as forceful, inspiring speakers. Their records indicate that a promising future lies before each of them.

## LADY'S STOMACH WAS LIKE A GAS FACTORY: MEALS TURNED TO GAS

One lady said recently that her stomach used to be like a "gas factory!" That is, when she ate a meal it seemed to turn right into gas. She was always bloated, had awful stomach gas pains, daily headaches and constant irregular bowel action. Now, however, this lady says she is FREE OF STOMACH GAS and she says the change is due to taking INNER-AID. Her meals agree with her. No gas or bloot after eating. Headaches and constipation are gone. "Oh! what relief!" states this lady. "Why don't other gas and constipation sufferers get INNER-AID."

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Person County.

### ORDER AUTHORIZING \$22,000

SCHOOL BUILDING BONDS

Whereas, the Board of Education of Person County has certified to this Board a resolution passed by said Board of Education on May 6, 1946, showing that it is necessary in order to maintain the constitutional six months' school term in Person County to erect and equip a three room addition to the Roxboro High School building; and

Whereas, said resolution represents that \$8,000 is available for such purpose but that no other funds are available and no provision has been made by local tax or otherwise for the remaining funds necessary to erect and equip said addition, and requests this Board to take all necessary steps to issue a sufficient amount of bonds of Person County to provide the remaining funds; and

Whereas, this Board has carefully examined the facts and has determined and hereby finds as a fact that

said statements of said resolution are true and that it has become the duty of the Board of Commissioners, acting as an administrative agent of the State in providing a State system of public schools, to order the issuance of a sufficient amount of County bonds to provide the necessary funds so that the addition to said school building may be erected and equipped in order to maintain the constitutional six months' school term; now, therefore,

### BE IT ORDERED AND RESOLVED

BY THE BOARD OF COMMISSIONERS for the County of Person:

1. That pursuant to the County Finance Act, as amended, bonds of Person County be issued in an amount not exceeding \$22,000 for the purpose of paying the cost, with other moneys available therefor, of erecting and equipping a three room addition to the Roxboro High School building, in order to maintain

the constitutional six months' school term in Person County.

2. That a tax sufficient to pay the principal and interest of said bonds when due shall be annually levied and collected.

3. That a statement of the County debt has been filed with the Clerk and is open to public inspection.

4. That this order shall take effect thirty days after the first publication thereof after final passage, unless in the meantime a position for its submission to the voters is filed under said Act, and that in such event it shall take effect when approved by the voters of the County at an

election as provided in said Act. The foregoing order has been introduced and a sworn statement has been filed under the County Finance Act, showing the assessed valuation of the County to be \$13,183,41, and the net debt for school purposes, including the proposed bonds, to be \$182,500.00. A tax will be levied for the payment of the proposed bonds and interest if the same shall be issued. Any citizen or taxpayer may protest against the issuance of such bonds at a meeting of the Board of

Commissioners to be held at 10 a. m., May 20, 1946, or an adjournment thereof. W. T. KIRBY, Clerk, Board of Commissioners.
