WE BUILD THEM

Because You're Worth It!

Call Corey Davis Construction, Inc. today and put Experience in Home Building & Energy Efficiency to work for you! We are Person County's **MOST EXPERIENCED Energy Star Home Builder!** All of our homes earn the Energy Star label. This means they are **30%-40% MORE EFFICIENT** than the "standard" code-built homes, and they allow you to receive a **5% discount** from your energy supplier. **BUILD \$MART...BUILD ENERGY STAR!!!**

Dear Corey,
I want to let you know that the completion of my home in the early part of December last year not only was much appreciated, but it made for a very Merry Christmas!
Upon moving to the Roxboro area I started to research builders and I wanted someone that was from the community and was of local "roots", someone that the people in this area knew and respected. I also wanted the company that built my home to take pride in their work. I was looking for someone that would be honest, a person of integrity and someone that paid attention to detail.
As I asked around, and now that you know me I'm sure that you will agree that I did ask, your company and your name were consistently mentioned as a quality builder. Then I would always ask the question "is he a good person?" The answer always came back the same, "second to none, great builder, but even a better person," not only did you fulfill all of my requirements, you exceeded them.
I would be more than happy to provide a reference for you if the need should ever arise.
Thank you for the opportunity to do business with you, my wife Jackie and I couldn't be more pleased with our new Energy Star home!

Sincerely,
Bill Hillier

When we decided we wanted to build a house, we knew we wanted someone who was knowledgeable on the latest technology. We plan on staying in this house the rest of our lives so we wanted it to be as energy efficient as possible. We found the perfect contractor in Corey Davis Construction. We now have a high quality home with an energy star rating in the top 1%. Our home is 3600 sq. ft. and in both February and March our electric bills were only \$115.00 with no gas to buy. Corey Davis has excellent ideas and superior craftsmanship. We highly recommend Corey Davis Construction for any construction project.
