Raiders, Panthers clash in winter sports action

MIDDLE SCHOOL

The cross-town rival Northern Middle School Raiders and Southern Panthers squared off in early-season winter sports action this week.

In girls' basketball action Tuesday, the Panthers' Emma Mangum (right) and Kara Presslar (14) look to defend against Northern guard Shynea Cameron (photo top left) in their contest at the Southern Middle School gym. The Panther and Raider girls also battled each other in a junior varsity game.

In boys' basketball action at the Northern

Middle School gym, Raider player Taymon Smith (15) tries to split Southern defenders Shaquan Brown (right) and Rashi Richmond (photo top right) in the Panthers' 49-45 win. Southern came away with a 34-28 victory in the JV contest.

In wrestling action on Wednesday at Northern, the Raiders' Gabe Snow (left) locks up against Daekwon Hamlett of the Panthers (photo bottom left) in a close, hard-fought 140-pound bout. The Raiders emerged victorious in the meet.

Person County 12U girls' soccer team captures SWAC state championship

On the weekend of November 19 and 20, the Person County Recreation Arts and Parks Department sent the Person County Girls 12U Soccer All-Stars to Southern Pines to compete in the SWAC (Statewide Athletic Committee) state tournament.

The Person County All-Stars came home with a state championship. There were four teams in Person County's division and they played pool play head to head against the other three teams (Johnston County, Rocky Mount, and Wilson County).

The All-Stars had to play three games. The first game was a victory against Johnston County. The second game was a win over Rocky Mount and the third contest was a tough loss against Wilson County.

However, this meant that Wilson County and

Person had finished first and second in pool play and that meant a rematch for the SWAC championship. The title game was a back and forth battle with the Person All-Stars holding on for a 2-1 victory and winning the state SWAC 12U girls soccer championship.

"The girls worked hard from August to November earning the right to represent Person County at the SWAC [tournament]," said head coach Troy Bryan. "They dedicated themselves to competing hard the entire weekend and played their hearts out for four tough games and were rewarded for their hard work."

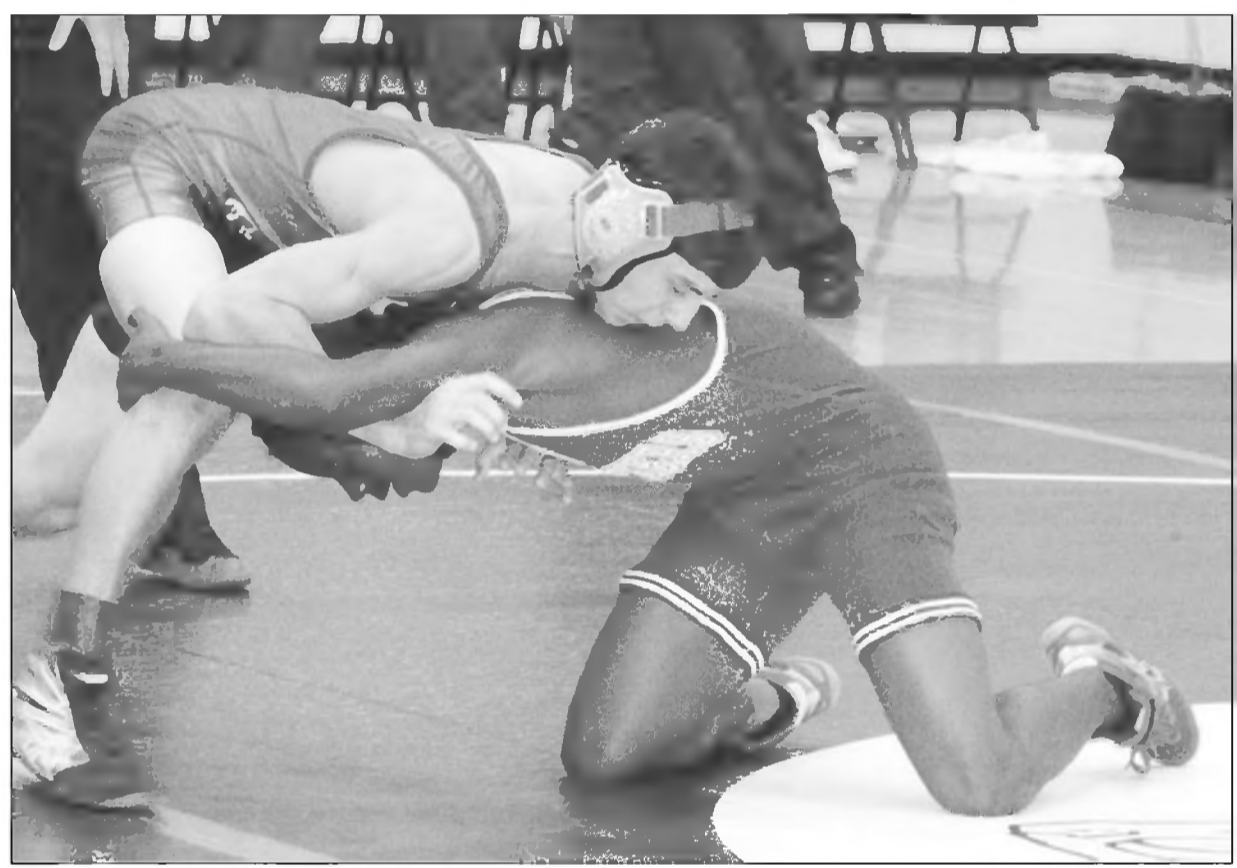

Coach Bryan also wanted to thank all the coaches and parents, who brought the girls to Southern Pines and provided food, drinks and snacks for the entire team on both days.
