Veterans' Christmas Tree

There was a "great turnout" for the first ever Veterans' Christmas Tree Ceremony held at the Person County Senior Center on Depot Street in Roxboro, said organizers. The ceremony was held on Thursday, Dec. 1 at the Senior Center. Throughout the months of October and November the organizers at the Senior Center asked people to honor veterans by providing a bit of information so that a personalized ornament could be made for the tree to honor the veterans' contributions to the country. Over 60 ornaments were placed on the tree honoring both past and present veterans. Several family members and friends hung their loved one's ornament on the tree. Eight veterans were also in attendance. The organizers said they hope to make this an annual event. Pictured are (back row, from left) Ronnie Brogden, Hilton Duff, Barry Chambers, George Naylor Sr., John Detwiler, Wilton Pulliam; (front row) Michael Bradley and Michelle Kilpatrick.

Thank You A Miracle In Giving Christian Help Center Fundraiser

The Christian Help Center was founded to help meet the most basic human needs of Person County residents every day of the year by offering a soup kitchen, emergency food pantry, financial aid, aid to fire victims, and aid to our transient population. More importantly however, the Christian Help Center determines the need of their clients without regard to race, creed, religion, age, or sex, and they need our help to strengthen their mission of charity. With "A Miracle In Giving" donations going to the CHC, you and your organization are able to help those in need all year round and not just at Christmas.

Teacher of The Week

Tammy Carver wins award

Tammy Carver is a National Certified Fourth Grade Teacher at Stories Creek Elementary School. Mrs. Carver earned a bachelor's degree in Elementary Education from East Carolina University and received a master's degree in Curriculum and Instruction from North Carolina Central University. She has taught in Person County Schools for 12 years. Mrs. Carver embraces students from diverse backgrounds with diverse learning styles. She establishes lifelong relationships with her students. The bonds with her colleagues are strong as well. She welcomes a new teacher to her team and mentors them within the grade level Professional Learning Community meetings. She is willing to share ideas and promotes collegiality at every level within the school. She embraces leadership roles and is always willing to give assistance when needed. Stories Creek Principal Veronica Clay comments, "Teaching is about more than just imparting knowledge to children. It's about truly caring and showing that you care about children. Mrs. Carver goes the extra mile to develop relationships with students and after she lays that foundation she is able to carry on the important job of educating them. Without building the relationship first, the learning will not occur. She possesses the special ability to bond with all students regardless of their background or ability level. She is an asset to Stories Creek and the teaching profession."
