## Windy Weather.

The tropical storm which had its  
origin near Santiago, Cuba, was  
felt in this section last Monday  
night, the wind, accompanied by  
a heavy rainfall, blowing at the  
rate of about 55 miles an hour, at  
times. Some trees were blown  
down in different parts of town,  
and Capt. Clarke says his new  
house just building had a "lean"  
on it, looking as if something had  
happened.

Some few window panes were  
blown out in different houses  
around town, and the telephone  
wires were somewhat dislocated;  
otherwise the damage was slight.

Don't forget Seaboard Air Line  
will sell tickets to Richmond from  
North and South Carolina points

gia points November 5th and 6th.

The good work being done  
by our K. of P. Lodge is receiv-  
ing appreciation outside. The  
Grand Chancellor of North  
Carolina designated this  
lodge to institute a new one  
at Hamlet last Wednesday.  
This is the highest honor that  
can be bestowed on a lodge,  
and our boys sustained their  
reputation before the largest  
crowd of Pythians ever as-  
sembled in this part of the  
country. The working team  
was as follows: C. E. Grover,  
Dr. Gladmon, Ed. Weaver W.  
D. Bruhn, F. Hightower, C.  
S. Brewer, J. Huttenhaur, A.  
Hall, Dr. Judd, C. McQueen,  
C. L. Hayes, H. Junge, J. T.  
Scarboro, C. S. Wainwright,  
J. W. Elliott, J. T. Patch.

From now on we shall handle  
the famous "Clover Hill" brand of  
Butter in one pound prints, which  
we receive direct from creamery  
each week. A. S. & L. P. Ruggles.
