as possible.

The FREE PRESS clay-pigeon con-
test ended last Wednesday and Mr.
V. D. Kenerson is the winner of the
cup—a handsomely engraved medal
made of gold and onyx. His score
was 76 out of a possible 100 targets.
Mr. H. A. Page of Aberdeen made a
creditable score, but did not take all
the targets of the contest. Mr. Ken-
erson's team—the American shooters
won the banner 9 times out of 10, and
he is justly proud of his victories.

J. I. Carson, Prothonotary, Wash-
ington, Pa., says, "I have found Ko-
dol Dyspepsia Cure an excellent rem-
edy in case of stomach trouble, and
have derived great benefit from its
use." It digests what you eat and
cannot fail to cure. Johnsons Phar-
macy.

GOODBYE PARTY.

Mr. and Mrs. H. R. Culp gave a
farewell party to their friend Mr. J. R.
Hall last Monday evening, before his
departure for his home in Pittsburg.
Some splendid music was furnished
by Messrs. Bunce and Douglass, and
delicious refreshments served. Mr.
Hall went away with many good im-
pressions of our town and will come
again at the first opportunity.

WEDDING BELLS.

Friend Brewer stole a march on the
editor and got married without letting
him know it, but friend Torbert was
not quite equal to the occasion, as we
see the announcement of his coming
marriage to Miss Tarbell in a Penn-
sylvania paper. We shall keep our
matrimonial department better inform-
ed, and if possible let our readers
know who'll be the next to desert the
'beaten paths of single cussedness'
for that happy highway of domestic
felicity which can only come through
a union of two hearts that beat as one.

FRUITGROWERS UNITE.

We are pleased to note an increas-
ing interest in the Moore and Cumber-
land Counties' Fruit Growers Associ-
ation, recently organized with head-
quarters at Southern Pines. Mr. J. E.
Buchan, of Manly, is president, and
Mr. P. H. Beck, of this place is Sec-
retary. Articles of incorporation are
being drawn up and a charter will be
asked for. We know of some of the
benefits derived from a good system
of organization on the part of fruit
growers, and we should be pleased to
know that every man in the two coun-
ties was interested to the extent of be-
ing a stockholder.

CHAUTAUQUA WORK.

It was our intention to announce
the committees for Chautauqua work
in this issue of the FREE PRESS, but
we have been too busy to give the
matter proper attention. They will
be announced in next week's paper,
and in the mean time we shall arrange
the committee on by-laws to such an
extent that we shall have something
definite in the way of plans, methods,
etc., to present for the consideration
of the public. We are pleased to note
a growing sentiment in favor of the
movement and wish to thank those
who have interested themselves for
hearty support.

C. F. T. CARS.

Mr. W. M. Cook, agent for the
Swift Co. C. F. T. Cars, has been
stopping with friend Giles at the
Southern Pines Hotel this week. For
several years Mr. Cook has been com-
ing to this section during the fruit
season, and as his cars and methods
of transportation have given universal
satisfaction he is always a welcome
visitor. As our prospects are very
bright for an immense fruit crop Mr.
Cook will soon be with us again and
will be pleased to continue his excel-
lent car service from this station
