The Pan-American Exposition will close October 31. Those who have not yet visited this marvelous wonderland are reminded that the time is growing short. In order to permit every citizen in the territory traversed by its lines, to take this trip, the Seaboard Air Line Railway has placed in effect a rate of practically one fare for the round trip to Buffalo and return, tickets on sale September 3 to October 20, inclusive; tickets good to return within twenty days from date of sale. This liberal concession should meet with a hearty response on the part of the traveling public, and many will doubtless avail themselves of the opportunity of attending this last and largest of National Expositions.
