In hot weather smoke the little Robert Burns. 10 for 15 cents. Mild and sweet. The News Depot.

Several oil-burning locomotives for the Southern Pacific railway have recently passed here over the S. A. L. They are odd looking inventions, but are said to be very strong and swift movers.

Read all the commission merchants ads in this issue of the FREE PRESS. These men know a good thing when they see it, and that is "just the reason" they advertise with us so freely.

If you wish to find agent Peck these days hunt for him among the fruit packages; he some times goes behind the returns and calls for a new count.

LEADS THEM ALL.

"One Minute Cough Cure beats all other medicines I ever tried for coughs, colds, croup and throat and lung troubles," says D. Scott Currin of Loganton, Pa. One Minute Cough Cure is the only absolutely safe cough remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for grip, bronchitis, coughs. Johnsons Pharmacy.

LOCAL MENTION.

Mrs. A. E. Huckel, of Pinebluff, is with us today.

The Niagara Grape and Fruit Co. are shipping some very fine peaches.

Remember the canning factory and give them a chance to buy some of your fruits and vegetables for canning.

When you use extract of vanilla be sure you get the real thing. We sell it in bulk. Cheaper and better than any bottled goods. Johnson's Pharmacy.

Among the very busy people we find Mr. J. H. Tilghman at the head of the list—shipping peaches and speculating on how to grow fruit without insects.

Mr. and Mrs. L. P. Ruggles will leave on the 30th for a visit to Norwalk, Conn. They have the best wishes of many friends for a pleasant visit and a safe return.

Miss Sarah Johnson, of Johnson's Pharmacy, has gone to Knoxville, Tenn., where she will attend a six week's session of the Summer School of the South. We wish her a pleasant trip.

The tank, or town reservoir, has been cleaned out and the waterworks superintendent informs us that the only thing found in it was about an inch of clay which had settled on the bottom, there being no slime or visible filth discovered.

The fruit shipped over the S. A. L. gets into Norfolk two or three hours before the Southern shipments arrive over the Southern Railway. This gives the Southern Pines growers the top of the Norfolk market every morning.

Up to Wednesday night R. W. Caviness, for the J. Van Lindley Co., had shipped 2,000 crates of peaches, 200 crates of blackberries and 150 crates of plums. He informs us that he has a large number of peaches of the Triumph variety which he will begin shipping early next week.

As is usual Mr. Geo. A. Woodard comes to spend the summer at Southern Pines. Mr. Woodard is a teacher in Wilmington at the Gregory Institute, but enjoys his vacations with his family who live here permanently.

Received today, a new lot of tennis balls. The News Depot.

Among the many good and reliable representatives of the different commission houses, we were pleased to meet with H. W. Moseley, of Norfolk, who was here several days representing his own firm. He secured many good shipments of peaches, and will doubtless do well by our growers.

B. A. Hughes who went from here to Charlotte, is with us again as operator at the depot. Mrs. Hughes, who is sick at her home in Marion, will come as soon as she is able to travel; and while we are glad to have here again, it is to be regretted that bad health on the part of Mrs. Hughes compels their return. W. H. Guess, the present operator, goes to Clinton, S. C., as night operator.

Theodore Heizman on Wednesday evening entertained quite a number of his young friends at his father's residence at the corner of New York avenue and railroad street, serving refreshments and enjoying games of different kinds. Alvin Robbins, Louie Couch, Edward Thayer, Glenn Jones, Alfred Grover, James Sweet, Carl Brown, and Clemson Giles.
