PURE LINSEED OIL Is The Life of Paint, John Lucas' Old Process Linseed Oil and Capitol White Lead make Honest Paint at a Fair Price

JOHN LUCAS' TINTED GLOSS PAINT represent Pured Lead and Zinc ground in Pure Linseed Oil. These are offered in 84 different tints of color and are a marvel of shining beauty and good taste.

There is no humbug stop and trash in Lucas' Paints. It costs no more to spread them than it does the worthless contraptions that cost very nearly as much money to buy, and which loose their grip in one short season or less.

I sell a full line of Lucas PAINTS AND OILS. Together with BUILDERS HARD WARE, LIME CEMENT HAY FEEDS.
