## LOCAL MENTION.

Banquet tickets at the Piney Woods Inn Monday evening will be 75 cents.

Mr. and Mrs. Charles T. Geyer arrived from New York yesterday, Mr. Geyer coming down to recuperate from a short spell of sickness.

\$750 will buy, for home or in vestment, pleasant well furnished 7-room cottage, center of town. Address P. O. Box 113, Southern Pines.

A very pleasant call Monday from Mr. H. L. Thurston, a former citizen here. He is now located in Culpeper, Va.

We failed to note the fact last week that Miss May Heizman entertained the Ladies' Euchre Club on Wednesday. Prize winners were: Mrs. St. John, first; Mrs. Wilson, second; Mrs. Bacon, third; Mrs. Butler, booby.

Mrs. H. C. Flint and Mrs. F. H. Weaver entertained the Ladies' Euchre Club at Mrs. Flint's Monday afternoon. The first prize was won by Mrs. Otto, of Pinehurst, Mrs. Erson second prize, Mrs. Thompson third, and Mrs. Stratman the consolation.

Governor Charles B. Aycock and staff will arrive at Southern Pines next Monday evening at 6 o'clock and will be tendered a reception at Piney Woods Inn from 7 to 8, after which an elaborate banquet will be tendered by the citizens of Southern Pines. It is expected that delegations from Aberdeen, Carthage, and Sanford will be on hand, and the Governor and his staff may rest assured that our citizens will do him proper honor.

February 22d is postponed until next Tuesday. Therefore, The George Washington entertainment will be given next Tuesday evening at the Opera House. At the conclusion of the entertainment on the stage George and Martha Washington, assisted by quite a number of other Colonial characters, will hold a reception, following which Washington pie and ice cream will be served to all. An effort is being made to make this the social event of the season. All who assist, numbering more than fifty, will be in Colonial costume. Rehearsal Saturday evening, 7.30. Dress rehearsal Monday evening.

In talking with Commissioner Leavitt this morning we were informed that an immediate remedy for the shortness of our water supply was at hand and would be effected by laying a pipe from a near spring to the pumping station. A combination of difficulties has prevented securing enough water, and this temporary arrangement will last until connection can be made with the fine springs given the town by Dr. B. von Herff.

If you don't believe we are well stocked with mineral waters, look in our window—Sadelson & Flint's Southern Pines Pharmacy.

Mrs. A. B. Seitzinger, of Reading, Pa., is a guest of Mrs. Hunter Eckert.

Among the arrivals this week is Miss Mary E. Richardson, a recent graduate of Bellevue Hospital, New York, ranking second in a class of 25 students. There appears to be something doing in real estate the past few weeks. James Boyd, of Chicago, has bought the well-known Blue place, containing over 500 acres. He will make extensive improvements. Junge & Beck also notifies us that they have sold the J. H. Bartholf place near Manly to Walter Parker, and also three of the School Board lots in block L & O to Miss Jenks.
