**The Soul of the City**  
Doctorow's *Waterworks* haunts readers with the genius and madness of New York City.

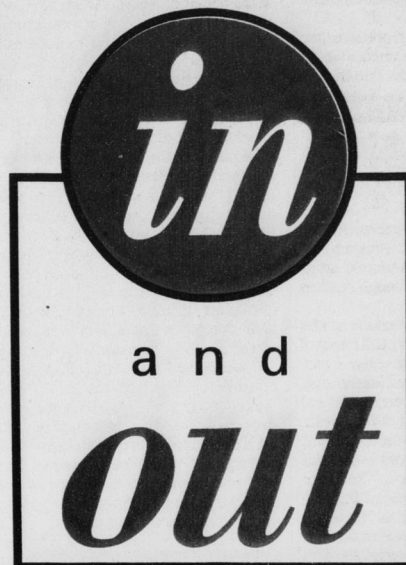

Music Page 7

**Fight the Pipe**  
Pipe's first "full-length" is perfect for those with short attention spans.

## Dive Into 1995!

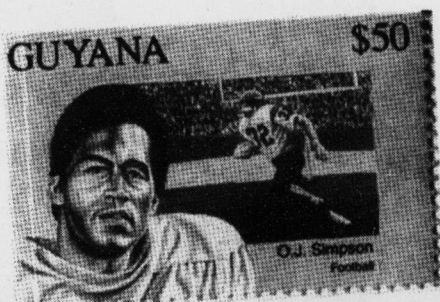

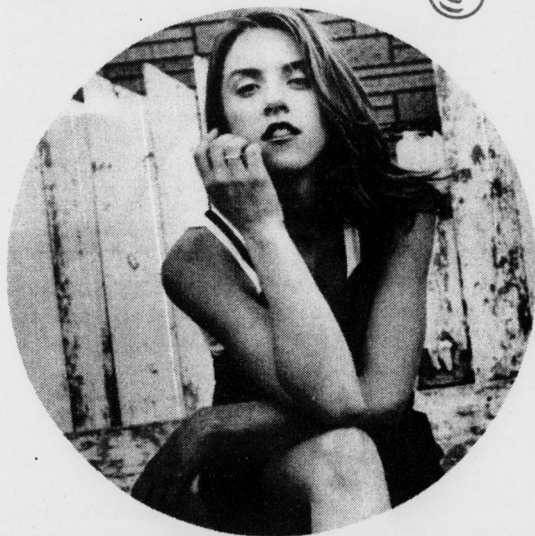

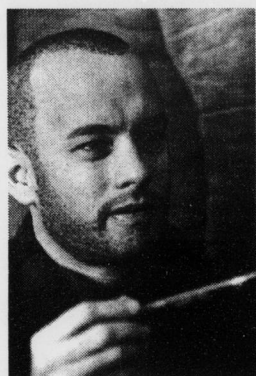

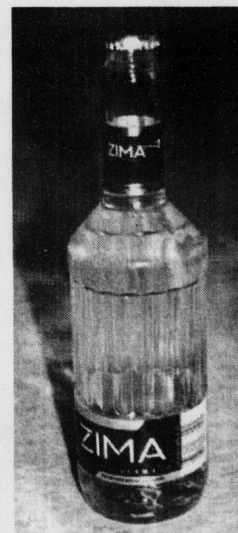

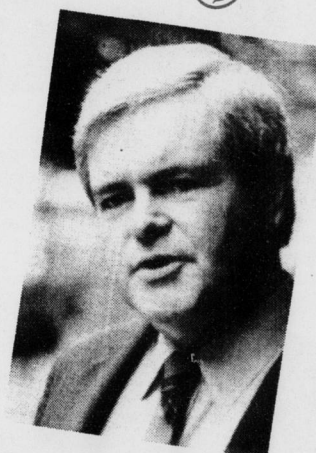

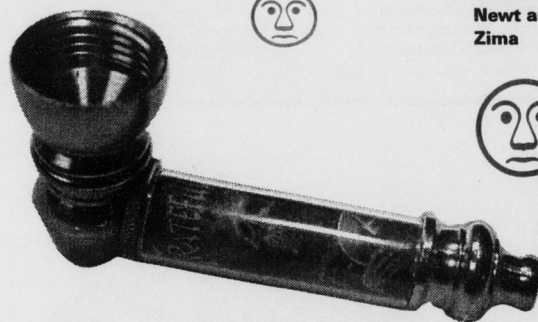

1994 has faded faintly into the background, and 1995 has finally arrived, probably escorted in with a big ol' bang. So, as you attempt to keep those resolutions in check while muddling through the first week back to school, we at Diversions want to offer up a few humorous and a few serious suggestions to start your year out the right way. **BY ALISON MAXWELL, MITCH BENNETT AND CHARLIE SPEIGHT**
