Help Wanted

Assistant for Multimedia Database Project
A short term challenging project at The Health Sciences Library for a student training to be an information specialist in any field. This project will provide good experience exploring options for creating multimedia database systems. Our goal is to create a multimedia database of faculty owned 35mm slides, radiographs, CT scans, etc. and are currently in the process of doing a needs assessment for this project. As part of the needs assessment we would like to explore database software options commercially available for the creation of a multimedia database and their capabilities. Primary responsibilities: investigating products available to create multimedia databases, creating a specification/feature list for each of these database systems, investigating indexing and structured language query options available with each system, find contacts with vendor and user contact. Flexible work schedule to be determined with supervisor. Approximately 150-175 hrs estimated for completion of project by May 9, 1996. Salary will be \$8-10/hr. Applications available in room 211, Health Sciences Library, 9am-4pm. Contact Pinky DuBoise at 966-2113.

CAREGIVER NEEDED for three year old in our home. 8-10 hours per week, mornings preferred. Must have own transportation. \$5.50/hr. Call Betty at 923-3281.

Business Oppty's
\$1750 WEEKLY POSSIBLE making our circulars. For info call 301-306-1207.
