

SO I DECIDED to seek out a date./ My friends said, "You're much too late./ Everyone's a nerd/ Or acts like a turd./ Now you'll never find a suitable mate."/ So I went to this club in Chapel Hill/ I wish I'd first taken a pill/ Everyone there/ Gave me a scare/ And I fled from this sleazy guy named Bill/ Then I finally got myself online/ Which I should have done the entire time/ I met someone great/ Only now I hate/ Writing in those long-aaa computer lab lines.

DEAR SHIVANI: You are in my mind/ And I'll never find/ A person so kind/ With so much presence of mind/ And we both know our love is blind/ And it will never decline/ It will always incline/ This is just what's on mind/ Happy Valentine's Day! - Love Rahuyil

BEN - HEARTS joined together/ Thoughts that combine/ One ring, one gesture/ Your hand in mine/ The day I say "I do"/ 2 years from today/ ne'er to look back again/ Love's here to stay. Love always and forever, Bascha.

THERE ONCE WAS a girl with red hair/ Whose skin was impossibly fair/ I won't even start/ What she's done for my heart/ Bev, don't we make quite a pair.

a. You love me despite my flawed love. You take and give it back, magnified and shining, a thousand times greater than what I gave. I want to give you the sun. You say the moon is enough. Accept tonight the moon's pale light, my imperfect gift. b.

TO MY DEAREST Heather/ No matter how many miles may lie between us./ Our love will remain forever true./ No matter how many mountains we must overcome, No matter how many valleys we must endure./ Our love will remain forever true./ My heart will remain forever yours./ Love Always,/ Tiger.

KEF (COOMER), AFTER constant pleading, I've finally devoted my undying love for you on flaming black and white newspaper. Does this prove my undying love for you? Say you'll be mine, or "Peazy" gets it! Love, an obsessive fan.

PEOPLE OFTEN ASK me, "What got you hitched?" I certainly don't reply that your kiss is on my list. Yet, when you continue to pry I have to say, "I love Wes, much to my dismay." Love, Salvia.

DEAR REBECCA, WHY? Why on the worst days, when nothing works and everything seems wrong, can I see you and smile? Once I told you, I wouldn't know what to do if anything ever happened to you. Do you remember what you said? You said that I would go on with my life. Go on until the day I died and then I would be yours again. I think that there is a God, I think that fairy tales are real and I think that if two people were ever meant to be together, it is us. God knows I love you and I will never leave you. One day, long after we have left this world, you and I will live in a better place ... and laugh. Happy Valentine's Day, R.Q.

PEANUT GOSH HAS it really been almost two years? I can't believe it. I have loved every minute. You are so special to me. I love you with all my heart. Let's make the next two years even better. All my love. Turtle.

TO RANDY W: ROSES ARE RED/ VIOLETS ARE BLUE/ I ENJOY every moment I spend with you./ Glad I met you in early December./ Our moments together will always be remembered./ HAPPY VALENTINE'S DAY !! From your faithful admirer. T

MY DEAR, YOU are my Sage, and who could ask for more? I experience the pleasure which only your enticing beauty can produce. How will I continue until the day you pledge your troth to me? Love, Dorcas P.S. How large is the dowry?

TO THE BEST pumpkin in the world. I am always right. I don't care what your grandma owns... it's Thursday let's. Somebody has to be the baby in this relationship.. Uh, I slept in my car last night.. Flavor savoo.. love me, hate me... no, where do you want to go tonight.. You mean the world to me pumpkin so stop acting like a bitch and let's get it on. We can work through any obstacle. Happy Valentine's Day Pumpkin. Love Boo- Boo.

SEANO, THE HIGH ranks of the few/ demand this day upon you/ flowers, cards, and candy abundant/ each year a sickening redundancy/ my sweetheart this is a day/ a day our world has made/ to promote love and a little romance/ and for some a possible second chance/ for you I choose to do my part/ to partake in this holiday of hallmark/ despite the excessive commercialization/ this happens to be a special occasion/ for you I wish a happy day/ remember my love and the times we play/ and the days ahead there's more to come/ but for now this poem is done/ M. Mayhem

DEAR RITCHIE AND Rick./ Ever since the fifth grade playing in the creek, I knew we'd be together forever. The way the sun shined your hair and water trickled from your backs. Even today we never cease to amaze each other. Happy Valentines Day./ Love./ Jimmy.

LONG RED HAIR/ BRIGHT GREEN BOOK BAG- I see the Victorian farmhouse, a screened porch, a filled pantry./ I feel the warm embrace of children/ I hear their laughter on the lawn/ on a summer day/ I feel such love for them./ White kitchen curtains rise in a breeze,/ a breeze lifting red hair,/ bringing an aroma of summer and joy,/ as eyes meet/ quietly, sincerely./ I dream of a world./ For all of eternity, I will regret never having introduced myself. You made my senior year at UNC special. Thank you for the dream. I will miss you. From: "Our World- Essays and Poems" by Joseph Calvin Parish.

C-, When I first met you, I thought you made a good snowman. A year later and totally in love with you. I now think you'd make a great husband. I love you as big as the sky. Will you be my Valentine? -R

JULIET- I CAN'T do the talk like they talk on the TV, I can't do a lovesong like the way its meant to be. I can't do everything but I'd do anything for you. I can't do anything except be in love with you. Have I told you lately...rrraarr! A Love-struck Romeo

WHEN I MISS the bus, you take me to class. When my leaky roof drenched my sheets, you washed them. When that 5ft python visited your kitchen, you tamed it. When I have nightmares about the X- Files, you tame me. When things aren't going well, you love me. Happy Valentines Day Laura./ I Love You./ People

MIKE- IT'S kind of a crime./ The divine way you're twining yourself like a vine/ around and in my mind/ Winding yourself in time/ As a spicy rhyme, never in decline/ Shining like a dime/ blinding as the shine./ I'll be thine, if you'll be mine./ my Sweet Valentine.Pamela.
