MICHELLE,

YOU'RE THE ONE

What do you think I mean/ When I say that
you're the one?/ Why do you think I say/ That
our life has just begun?/ You may not be sure,
But I know in my heart/ We'll always be
together/ We'll never be apart/ The waiting is
finally over/ My searching is finally done/
Because, my dear, it's true/ That you really are
the one./ I don't know how I know/ I just know
it's right/ That becomes so much clearer/
Every day and every night./ Some things have
been written/ Some things are meant to be./ I
am meant for you./ And you are meant for
me./ Our love is everlasting./ Like the fire in the
sun./ As long as it keeps burning./ You will be
the one./ Love Anthony.
