

You're up all night before a game,  
planning your fan strategy.

You paint your face for every game  
(but only because the tattoo guy  
refused to make it permanent.)

The candles in your shrine  
to the UNC basketball team  
set off the fire alarm last month.

Now put some clothes on.

Feelin' blue basketball season's over? Then get some **blue with authentic UNC® apparel and accessories.**
