Think Fast.

Volvo Truck Finance is a financial services company committed to being a leader in our industry. We believe in forward thinking, positive attitudes, and non-stop innovation. Our success depends on our ability to deliver superior products at the highest level of customer service. And quick-thinking employees with proven leadership ability are a key part of our plan to reach our goals.

Seeking Leadership Development Program Candidates:

We're looking for energetic, intelligent, driven individuals with high levels of integrity who can challenge today's conventional thinking and help achieve team goals. Our Leadership Development Program is comprised of two years of rotational assignments in one of the following business units: Finance, Informational Systems, or Marketing. After successful completion of the rotation, participants are offered full-time positions with Volvo Truck Finance and given the opportunity to further enhance their skills through a fully-reimbursed Evening MBA program.

If you're looking for a dynamic environment where you can make an immediate contribution, visit our booth and talk to us about your interest and qualifications during the UNC Spring Job Fair on April 9, 1997. And show us that you're capable of accelerated thinking.
