

# Sow Start Downs UNC Wrestlers in Loss to 'Pack

### N.C. State won five of the first six matches to hand UNC its third consecutive home loss to the Wolfpack.

ADAM D. HILL  
Staff Writer

For all of the directions North Carolina coach Bill Lam could bark from his spot on the sidelines, for all of the emotion the Tar Heel wrestlers could muster for their teammates, and

for all of the noise an anxious crowd could create, it was not enough.

Down 21-4 halfway through the season's initial ACC dual match to a strong N.C. State squad, UNC simply could not climb out of the huge hole it had created Tuesday night.

Not that the Tar Heels didn't try. After watching the Wolfpack explode to take five of the meet's first six matches, UNC stole the momentum and roared back to win the final four. But N.C. State still emerged with a 21-18 victory.

The Wolfpack (3-1, 1-0 in the ACC) scored many individual victories on the night, but Joel Dramis' 4-3 upset win against two-time ACC Champion Corey Bell proved to be the most dramatic.

The match began with Dramis getting

a one-point penalty for stalling at the end of the first period. Bell then scored a takedown for a 3-0 lead.

Dramis, however, responded by scoring a pair of escapes and a final takedown in the third period to seal the victory and give NCSU a 15-4 lead.

Dramis' win came on the heels of the 165-pound class match in which the 'Pack's Scott Garren pinned Steve

Echeverri. The victories gave NCSU the momentum halfway through the meet.

"We knew we had to win some key bouts," Wolfpack coach Bob Guzzo said. "We had some kids wrestle exceptionally well, like Joel Dramis. He had a real big win. That was huge."

UNC forfeited the 184-pound class because of an injury to Nick Richmond, giving the Wolfpack a 21-4 advantage.

"The biggest situation was not being able to use our 184-pounder, and the other was a close call with Corey Bell," Lam said. "They did a good job at 174 to beat Corey, and forfeiting right after that gave them a lot of momentum. You can't give up 12 points and beat a team like that."

The Tar Heels came back, however, as Clint Osborn (197), Matt Kenny

(Heavyweight), Skyler Holman (125), and Brad Byers (133) finished the meet with consecutive victories.

"Me and Brad were talking to Matt and Clint, and we were just trying to keep the team alive and trying to pick up the pace," Holman said. "It is just hard to do once they have the ball going."

Osborn's three-point win, combined with Kenny's four-point score, brought the Tar Heels to within 21-11. UNC's two winningest wrestlers this season were still remaining.

Holman made quick work of George Cintron 13-2 but could not score the elusive fall that the Tar Heels needed.

Holman scored a near fall against Cintron but was unable to manage more. "I had to try to go for the fall,"

Holman said. "I thought I had it - I thought I had it cradled up. It was tight. I kept wrestling hard and I tried to go for it, but it never opened up again."

Holman's win left UNC trailing 21-15, with Byers facing off with NCSU's Damon Blackley. Byers won the match 8-3 but failed to garner the fall that would have tied the meet.

Byers' victory brought the final tally to 21-18, giving UNC (1-3 overall) three consecutive losses at home to the 'Pack.

"We won five matches, and I felt like we wrestled hard," Lam said. "We did a good job coming back. I was proud of how our kids came back."

The Sports Editor can be reached at sports@unc.edu.

UNC junior Corey Bell took a 3-0 lead on N.C. State's Joel Dramis before losing 4-3 at 174 pounds.

Today's Birthday (Jan. 13) This year the chickens could come home to roost, including one you thought had flown the coop. An idea you've been thinking about could work January. A secret could lead to riches in February. Be bold in March and relax in April. Love's there when you need it in May. The money should be there when you need it in August - if you don't spend it first! Save some for a special gift in December, too. To get the advantage, check the day's rising. 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) - Today is an 8 - Transformation is in the air. Is there something that you've always wanted to do? You know what it is. Do you have the courage to try it? How hard could it be?

Taurus (April 20-May 20) - Today is a 7 - You're under pressure. You might even have a headache. Just take care of the most important stuff and postpone the rest. You'll be up for a challenge in a couple of days.

Gemini (May 21-June 21) - Today is a 6 - Don't get in the middle of a fight that's none of your business. You may love the people, or maybe not, but it doesn't matter. Root for your team but stay out of the scramble.

Cancer (June 22-July 22) - Today is a 5 - It looks like there's a confrontation. It would be best for you if your partner does the talking. Pick the toughest person you know to represent you and stay out of the way for a while.

Leo (July 23-Aug. 22) - Today is an 8 - You're having a pretty good day, but you're in the minority. Some of the others are wrapped around the axle. Help them stay calm and tell them what to do next. They'll love you for it.

Virgo (Aug. 23-Sept. 22) - Today is a 7 - You're one of the few people who can relax today. You and your loved ones can hide away in your little nest and let the chaos gear up without you. That's your reward for being so well-organized.

Libra (Sept. 23-Oct. 23) - Today is a 6 - You may be slightly flustered. You're generally good at explaining things, but today you may get rattled. If you notice that feeling coming on, let someone else do the talking for you.

Scorpio (Oct. 24-Nov. 22) - Today is an 8 - Something you've learned recently will come in handy to clean up a mess. Things aren't stable. Be your steady, solid self, and you'll help everybody else calm down, too.

Sagittarius (Nov. 23-Dec. 21) - Today is an 8 - From where you're standing, things look crystal clear. Since you're one of the chosen few who can see what's coming, you can lead the others out of confusion. No problem, right?

Capricorn (Dec. 22-Jan. 19) - Today is a 7 - Urgency is in the air. You need to get things done quickly, and you might not be sure how. A close relative or neighbor can help. Put your heads together and come up with a brilliant idea.

Aquarius (Jan. 20-Feb. 18) - Today is a 7 - You're learning quickly and easily. You might feel like you don't have a choice. The deadline's looming, and a few miracles still need to be performed. Get busy!

Pisces (Feb. 19-March 20) - Today is an 8 - A battle's raging out there. Your money may be involved. You care deeply, but that's not enough. You'll have to think clearly, too. Inspire of cutting costs, raise your income.
