

DEAR MS. FINE./ If two lie down together./ they will keep warm./ But how can one keep warm alone?/ Though one may be overpowered./ two can defend themselves./ A cord of three strands is not quickly broken./ You, me, and God/ we will not be separated./ The beginning of autumn will mark/ the beginning of our lives together./ I will love you both forever and ever./ Love./ Mr. Kewl

MISSING YOU, J.:/ The snow has all melted to muck./ My car, in the mud, is still stuck./ Since it's too far to walk./ On the phone we can talk—/ But, if you were here, we could/ write poetry together./ Here's to a little madness in the spring. Love, E.

Russet leaves on a September breeze./ Sunlight streams through naked trees./ A screech of tires, a hiss of brakes./ The U-bus stops- the driver waits./ I shared a laugh and a smile./ with the stranger across the aisle./ A lesson learned, one golden day./ that love may lie, a U-bus away.

To my noogie woogie: Last year ya had tulips instead of me, but this year I'm by your side, and will be by your side as we leave Chapel Hill in a few short months, bracing each other for the real world, as we embrace each other. I love you always; will you be my Valentine?

SUNSHINE./YOU ARE my best friend, my confidant, and my one and only. The miles between us can't keep out hearts from beating as one. My love for you grows stronger with each passing day, and I yearn for the next time that I can be in your arms, taste your lips, and gaze into your beautiful eyes. I love you, Jason./Your Soul Mate./Meredith

LAURIE- Everyday I adore you from afar, dreaming of how it would be if I could just look you in the eyes and tell you how I feel. You are beautiful and charming. But unfortunately, you are involved with someone. That is why I will not let myself be known. I will forever be infatuated with you. - Your Secret Admirer

WANTED: ONE SWEET habeara. Must love to cook tamales and shortbread every night. Lovely bottom and brown hair are a must. Bearness and goosiness necessary for cold, snowy Fridays. Special treats awarded only to good habearas. Call 1-800-BEARYGREAT for details.

LONG TIME AGO, it happened by chance./ That you would invite me to one special dance./ Hand in hand we walked as our passion sparked-/ Hugging you goodbye, I knew you'd stolen my heart./ Through phone calls and emails, this crazy thing grew./ Three years ago this day, I first told you I loved you./ We've conquered my green monsters/ And battled the Atlantic Ocean./ Making sous-pies and warm fuzzies/ With my bear and his love potion./ So, to my best friend, cave-dweller and pud-din'head/ Happy Valentines Day. I love you bunches.

M-I found my soul the day we met, although I didn't see. You held out your heart and said take a trip with me. "We will go on a journey that few will ever travel." I wanted to believe, but my fear filled the road with gravel. Along the way I let lies become like broken glass strewn across our path. And created pot holes of mistrust- please don't do the math. But, you saw beyond the damage and bravely led the way. You became my knight in shining red armor and I am asking you to stay. Our love is rare and more real for the pain. Please let me help you heal and kiss you again. Will you be my eternal Valentine? AM
